K2 Infragen Ltd. Bags Rs 56.91 Crore Orders from Rajasthan Rajya Vidyut Prasaran Nigam

Press Release

Gurugram, 25th May, 2026: K2 Infragen Ltd., a leading infrastructure and core engineering company, has reinforced its footprint in India's power transmission sector by securing two strategically important orders (LOA) from Rajasthan Rajya Vidyut Prasaran Nigam Limited (RVPN) totalling to Rs 56.91 crores.

The awarded projects include the construction of a new 132/33 KV Grid Sub-Station at Mukundgarh, Jhunjhunu District, along with associated lines and 132 KV bays, valued at Rs 29.85 crore, and the development of 220 KV & 132 KV transmission lines linked to the 220 KV Grid Sub-Station at Seruna, Bikaner district, valued at 27.06 crore. Both projects are slated for completion within a 15-months timeframe.

Since December 2025, K2 Infragen Ltd. has amassed new orders worth Rs 411.91 crore across Energy, T&D, Railway, and Renewable Infrastructure Projects. In addition, the company has bid for tenders approximating Rs 580 crore in the Roads and Railways Sectors, signaling a strong growth trajectory and an aggressive expansion of its order book.

Commenting on the developments, Mr. Pankaj Sharma, Founder & Managing Director, K2 Infragen Ltd., said: *"K2 Infragen is on a path to deliver scale with excellence in the power infrastructure domain. With direct T&D orders in Rajasthan and Karnataka, we are expanding our geographical presence and strengthening revenue visibility. Looking ahead, we aim to explore TBCB (Tariff Based Competitive) bidding to build annuity revenues through government assets."*

Founded in 2015, K2 Infragen has established itself as a trusted player in multiple infrastructure domains including Roads, Railways, Power Transmission & Distribution, Civil Construction, Water Infrastructure, and Renewable Energy. Its clientele includes North Western Railways, RVPN, Karnataka Power Transmission Corporation, NHAI, Hindustan Copper, L&T, TATA, and MP Birla Group.

With operations spanning Rajasthan, Karnataka, Gujarat, Uttar Pradesh, Madhya Pradesh, Odisha, Bihar, Haryana, and Delhi NCR, K2 Infragen combines domain diversification with operational excellence to mitigate risk, consolidate margins and create synergy across

projects. Beyond T&D, the company has actively contributed to critical road projects and water supply infrastructure, improving accessibility to essential services.

As K2 Infragen continues to expand across geographies and sectors, these recent orders reinforce its commitment to delivering quality, timely execution, and long-term value, further cementing its position as a bankable and reliable partner in India's infrastructure growth story.

About K2 Infragen Limited –

Founded in 2015, K2 Infragen is a key publicly listed player in India's infrastructure space. As an integrated EPC company, it specializes in project engineering, executing, & delivering large-scale projects across India in Roads, Railways, Power Transmission & Distribution, Civil Construction, Water Infrastructure, and Renewable Energy domains, with a focus on quality work and timely completion. The company serves a diverse clientele, including North Western Railways, Rajasthan Rajya Vidyut Prasaran Nigam Ltd., Karnataka Power Transmission Corporation Limited, NHAI, HSIIDC, Hindustan Copper Ltd., MP Birla Group, L&T and TATA. With operations spanning Uttar Pradesh, Gujarat, Rajasthan, Karnataka, Madhya Pradesh, Odisha, Bihar, Haryana, and Delhi NCR, K2 Infragen continues to demonstrate strong adaptability and execution capabilities. Committed to quality, timely delivery, and exceeding client expectations, the company is well-positioned to make significant contributions to India's infrastructure growth. K2's presence in varied infrastructure domains not only eliminates over exposure to one domain but also lead to consolidation of margins and creating synergy benefits. The company is simultaneously engaged in multiple ongoing projects across its operational verticals, reinforcing its reputation for reliability and delivery excellence.
