PRESS RELEASE**KPIL AWARDED NEW ORDERS OF ₹ 3,526 CRORES**

Mumbai | Friday, 14 August 2026: Kalpataru Projects International Limited (KPIL), one of the leading engineering and construction players in the power and infrastructure sector, have secured new orders / notification of awards of approx. ₹ 3,526 Crores.

The details of the aforesaid new orders are as follows:

- EPC Order for an industrial plant in India
- Orders in the Power Transmission & Distribution (T&D) business in India
- Residential building orders in India

Manish Mohnot, MD & CEO, KPIL, said, *"We are delighted with the strong order momentum in our T&D and B&F businesses. These wins include significant order in the domestic T&D market, which further strengthens our presence in the high growth India T&D India. Additionally, our B&F business has enhanced its capabilities by securing a significant EPC order for an industrial plant from a prestigious Indian client along with repeat orders in the residential buildings space with reputed developers. With these additions, our year-to-date order intake for FY27 has crossed ₹11,000 crores, which will meaningfully contribute to our future growth."*

KALPATARU PROJECTS INTERNATIONAL LIMITED

About Kalpataru Projects International Limited

Kalpataru Projects International Limited (KPIL) is one of the largest engineering, procurement, and construction (EPC) companies in the world, with a global footprint spanning 75 countries. KPIL offers integrated EPC solutions across diverse sectors, including power transmission and distribution, buildings and factories, water supply and treatment, railways, oil and gas infrastructure, urban mobility, highways, and airports.

With a legacy of over four decades, KPIL has maintained a leadership position in all its major business verticals. This success is backed by strong organizational capabilities, superior technical expertise, and a strict adherence to best-in-class sustainability standards. The company operates two manufacturing facilities in India for the fabrication of power transmission towers, heavy metal structures, and scaffolding and formwork systems. In FY2026, KPIL generated a revenue of ₹27,143 crores (~USD 2.9 billion), with more than 250 projects under execution across over 30 countries.
