KALPATARU PROJECTS INTERNATIONAL LIMITED

PRESS RELEASE

KPIL Announces New Order Wins of ₹2,349 Crores

Mumbai | Wednesday, 21 October 2026: Kalpataru Projects International Limited (KPIL), a leading engineering and construction (EPC) player in the power and infrastructure sector, has secured new orders and notifications of awards for major EPC projects totalling approximately ₹2,349 crores

The details of the aforesaid new orders are as follows:

- Projects in the Power Transmission & Distribution (T&D) business in India
- Projects in the Buildings and Factories (B&F) business in India

Manish Mohnot, MD & CEO, KPIL, said, *"We continue to witness robust growth across our core T&D and B&F verticals. These new contract wins solidify our leading market position in India's fast-growing, high-potential infrastructure landscape. Furthermore, they underscore our strong EPC capabilities and proven track record of executing world-class projects both domestically and internationally. Driven by this strong momentum, our year-to-date order inflows for FY27 have crossed ₹22,000 crore, positioning us exceptionally well for sustainable future growth."*

About Kalpataru Projects International Limited

Kalpataru Projects International Limited (KPIL) is one of the largest engineering, procurement, and construction (EPC) companies in the world, with a global footprint spanning 75 countries. KPIL offers integrated EPC solutions across diverse sectors, including power transmission and distribution, buildings and factories, water supply and treatment, railways, oil and gas infrastructure, urban mobility, highways, and airports. The company operates two manufacturing facilities in India for the fabrication of power transmission towers, heavy metal structures, and scaffolding and formwork systems. In FY2026, KPIL generated a revenue of ₹27,143 crores (~USD 2.9 billion), with more than 250 projects under execution across over 30 countries.
