Sub.: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir / Madam,

This is with reference to M/s. Kurukshetra Expressway Private Limited (KEPL), a Joint Venture Company in which our Company holds 49.57% equity stake.

KEPL had executed a Concession Agreement ("CA") with the National Highways Authority of India ("NHAI") for the construction, development, maintenance and management on the Rohtak-Bawal Section of National Highway No.71 ("NH-71") under the NHDP Phase III from Km 363.300 to Km 450.800 (approximately 82.553 Km) in Haryana from existing two-lane to four-lane on design, build, finance, operate and transfer (DBFOT) basis ("**Project**"). Continuous disruption and blockade of traffic on National Highway-71 due to farmer's agitation resulted in stoppage of toll collection. Consequently, KEPL has issued a notice of termination of CA vide letter dated 7th October, 2021 to NHAI. The provisions of CA clearly provides for termination events, which are not in the control of KEPL, and payment obligation of NHAI thereunder towards the amount of Debt Due and Adjusted Equity with necessary adjustments.

Please note that till now, KEPL was honoring the lender's payment i.e. principal and interest by 89th day. However, since KEPL has already terminated the CA, KEPL could not pay the interest to its lender in October 2021 resulting in KEPL account being treated as a Non-Performing Asset (NPA) as per the RBI Guidelines.

Kindly take the same on your records.

Thanking You,

Yours faithfully,
