**Management Comments****Commenting on the results, Mr. Manish Mohnot, MD & CEO, KPIL said:**

*“We have delivered another quarter of strong performance, building on the momentum of the previous quarter. This quarter happens to be the best ever Q2 in terms of revenue and profitability, as our consolidated revenue grew by 32% YoY, PBT grew by 71% YoY with margin expansion of 110 bps to 4.9% and PAT grew by 89% YoY. Additionally, our order book stands strong at ₹64,682 Crores, as we have secured orders nearly worth ₹14,951 Crores and further are favourably placed in projects worth ₹5,000 Crores, mainly in the T&D business. The robust performance reflects the strength of our underlying business model, which focuses on profitable growth, diversified business mix, efficient working capital management and relentless focus towards building future-proof capabilities.*

*Looking ahead, we remain committed to improve our project delivery capabilities, further strengthen our balance sheet and continue investing to scale high-growth business verticals. We believe these objectives, coupled with strong business visibility in power T&D and civil construction, well positions us to deliver on our growth targets going forward.”*
