This is further to our letters dated 18.10.2025 and 05.11.2025, regarding setting up of 75.9 MW Renewable Hybrid Power Project by Clean Max Enviro Energy Solutions Limited under SPV mode by Special Purpose Vehicle (SPV) Company i.e. Clean Max Sphere Energy Private Limited.

In this regard, we would like to inform you that out of total capacity of 75.9 MW (Phase-1: 16.5MW and Phase-2: 59.4MW) of Clean Max Renewable Hybrid Power Project, 6.6 MW hybrid power installation (out of Phase-1: 16.5MW) has been made operative today. The Company has started receiving Hybrid power from 6.6 MW hybrid power installation (i.e. from Phase-I of 16.5 MW) from today evening. The project is currently under the stabilization phase. Remaining power supply will start in due course.

We will submit further updates on this project in due course of time.

This will result in a reduction of overall power cost of the Company.

We request you to kindly take note of the above.

Thanking you,
