MOVE TO REIN IN INSIDER TRADING

Sebi to amend price-sensitive info norms

Proposes widening the ambit of UPSI definition

ASHLEY COUTINHO
Mumbai, May 18

THE SECURITIES AND Exchange Board of India (Sebi) on Thursday proposed to amend insider trading regulations after observing that material events that have an impact on stock prices are not being reported effectively by listed companies.

It has proposed widening the ambit of the current definition of unpublished price-sensitive information (UPSI) under Sebi (Prohibition of Insider Trading) Regulations, 2015 by linking it to disclosures required under regulation 30 of the Sebi (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In a study conducted with the stock exchanges, the markets regulator found that listed companies categorised unpublished price-sensitive information (UPSI) correctly only in 8% of the instances. That indicates that the listed entities got it wrong in 92% of the instances. The amendment to the definition of

SEBI STUDY REVEALS

■ In 227 out of 1,100 press releases, the information given out caused a price movement of 2% after adjusting for the index

■ Of these 227, only in 18 instances was the information categorised as UPSI and in 209 it wasn't

■ The listed entities categorised it correctly only 8% of the time

UPSI is aimed at bringing regulatory clarity, certainty, and uniformity in compliance for the listed companies, in respect of the identification of certain events or information as UPSI.

Sebi said its efforts towards curbing insider trading are hampered by the non-categorisation of material information as UPSI by listed companies.

Everstone to exit Burger King

VIVEAT SUSAN PINTO
Mumbai, May 18

PRIVATE EQUITY FIRM Everstone Capital is looking to offload its nearly 41% stake in Restaurant Brands Asia, formerly Burger King India, sources have told FE.

Two private equity firms, Advent and General Atlantic, are said to be in talks with Everstone for buying the latter's stake in the company, persons in the know said. There were reports that Jubilant FoodWorks is also in the fray to acquire the stake. However, when contacted, the company said the rumours are baseless.

Restaurant Brands Asia declined to comment when contacted. Advent and General Atlantic were not immediately available for comment.

Everstone's stake (of 40.9%) is valued at nearly ₹2,500 crore, based on Thursday's closing price of ₹122.40 apiece on the BSE. Jubilant FoodWorks, persons in the know said, is ahead of the Advent-General Atlantic consortium, in discussions for a possible acquisition in part because the buy will help fill gaps in its portfolio.

While the Domino's Pizza and Dunkin Donuts operator is the largest fast-food player in India, it has no presence in burgers, a space

Infosys cuts Q4 variable pay to 60%

SAMEER RANJAN BAKSHI
Bengaluru, May 18

IN A SIGN of tough times for the software services companies, Infosys has reduced the average variable payout at an organisational level to 60% for Q4 FY23. The company has informed the same to its employees in an internal mail.

In the first quarter of FY23, Infosys had lowered the variable payout to 70%, which was subsequently reduced in the second quarter to 65%.

It has said that an employee's final variable payment will be governed by their unit/department guidelines. "The performance bonus payment for delivery and business enabling functions for Q4 FY23 is scheduled to take place in the payroll of May 2023," Infosys has informed the employees.

"While FY23 was a year of strong performance overall, the quarter that went by (Q4) was impacted by a volatile market with unforeseen events. As we remain vigilant to the changes in the market, we must also see this as an opportunity to rally as a group and remain committed to navigating the changing business landscape," Infosys has told the employees.

Aditya Mishra, MD and CEO of CIEL HR, said, "A month ago, IT companies were giving outlook that things will improve in October-November. However, now it looks that the same would get pushed to early 2024."

BJP wants to win BMC polls to do justice to Mumbaikars: Fadnavis

EXPRESS NEWS SERVICE
MUMBAI, MAY 18

DEPUTY CHIEF Minister Devendra Fadnavis urged the BJP workers to ensure the victory of the party in the upcoming Brihanmumbai Municipal Corporation elections to give "justice to Mumbaikars".

Fadnavis, who was addressing various BJP cells at a meetings held late Wednesday night, said, "In the upcoming BMC elections, BJP should and will win the BMC polls. It is not for power. But to give justice to Mumbai and Mumbaikars... We want to win BMC so that Mumbaikars get the best facilities

Fadnavis alleged that Uddhav Sena failed Mumbai.

which they deserve."

"With a dedicated Mumbai team, we will win the BMC polls. The elections will be at anytime as per the court decision. But whether it takes place in September, October or November, we have to be battle ready," he said.

The BMC has been under the Shiv Sena led by Uddhav Thackeray for three decades and they "have failed Mumbai and

Mumbaikars", Fadnavis alleged. "For Thackeray BMC has become a potential source to retain power and draw resources. But in their selfish pursuit, Mumbaikars had to pay heavy price," the deputy CM said.

Pointing out the bad condition of roads in the city, Fadnavis said, "Despite expenditure of Rs 2,000 crore on roads every year, people have to ride through potholes. Whereas, within a month of taking charge Eknath Shinde-led government has taken decision to cement concrete all roads. With Rs 12000 crore in two phases entire Mumbai roads will be concrete. For next 40 years we will have pothole-free roads".

He added, "During my tenure, Dharavi redevelopment project was decided. But MVA stalled the project. After our government came to power, we started the process. The work should start within three to four months."

The deputy CM also urged the party workers not to harbour ambiguity about the Shinde government. "After the Supreme Court verdict everything is clear. Even the apex court verdict says Shinde government is constitutional and legal. And Governor was right in asking BJP-Shiv Sena to form government. Despite the verdict they (Uddhav Sena) are behaving as if they have won. Let them beat the drums," he said.

BMC mandates use of eco-friendly Ganesh idols ahead of festival

NAYONIKA BOSE
MUMBAI, MAY 18

MONTHS AHEAD of the Ganeshotsav, the Brihanmumbai Municipal Corporation (BMC) has made it mandatory for all to use environment-friendly Ganesh idols at every household.

The civic body has also announced a waiver on deposits for Sarvajani Ganeshotsav Pandals during the upcoming festival. Meanwhile, instructions for the provision of allotting free space for making eco-friendly Ganesh idols has also been issued to multiple departments in the BMC.

This year, the Ganeshotsav is slated to commence on September 19.

Issuing a ban on idols made of plaster of paris (PoP) at house-

holds, BMC announced that idols up to four-feet-high should be made of eco-friendly material such as clay.

To ensure adequate supply of clay for idol makers across the city, the civic body will collect clay from several Maharashtra districts, and also give discounts for making a certain quantity of clay available at a fixed rate.

In Maharashtra, clay soil is predominantly found in the Konkan belt, besides other regions.

Meanwhile, the immediate implementation of BMC's decision to waive deposits for Sarvajani Ganeshotsav Pandals has also commenced.

According to the civic body notice, deposits collected from the mandals in 2022 will be returned to the organisers within the next seven days.

BEST to add 40 new premium AC buses to its fleet from next week

EXPRESS NEWS SERVICE
MUMBAI, MAY 18

THE BRIHANMUMBAI Electric Supply and Transport (BEST) undertaking will add 40 more premium AC buses to its fleet from next week, taking the total number of such buses to 100.

The BEST has also decided to add another route — Kharghar to Bandra Kurla Complex (BKC) — from next week onwards, apart from the existing seven routes on which these buses operate.

"Since there is more demand from commuters for this premium bus service, therefore, 40 more buses will be added into the fleet," Lokesh Chandra, General

Manager, BEST said. The ticket fare on Kharghar to BKC route for new premium AC buses will be in the range of Rs 175-180, he added.

Meanwhile, BEST is also planning to increase the frequency of buses on the airport route by every 30 minutes, Chandra said.

To avail the premium AC bus service, commuters can book it via BEST Chalo App. Payment is completely online as these buses do not have conductors.

The Premium BEST buses are equipped with mobile and laptop charging facilities and comfortable reclining seats. Moreover, the buses playing on airport routes have special baggage racks, without any extra charge.

CM Shinde inspects BMC's desilting work

PRATIPACHARYA
MUMBAI, MAY 18

A WEEK after a delegation of leaders from the BJP alleged that the Brihanmumbai Municipal Corporation (BMC) is yet to reach the halfway target of its pre-monsoon desilting works in Mumbai, Chief Minister Eknath Shinde and other senior civic officials Thursday inspected the ongoing work.

As a precautionary move to minimise waterlogging in the city, BMC removes silt from all the major and minor drains, rivers and waterbodies in Mumbai every year.

Shinde visited the low-lying areas of Vakola, Hindmata, and Love Grove stormwater pumping station, and the banks of Mithi river. These areas are some of the chronic flooding spots in Mumbai.

"The process of desilting is continuous and ongoing, and therefore, I am not going to talk about how many metric tonnes of silt have been removed so far. My

Chief Minister Eknath Shinde with the BMC officials while inspecting desilting works in Mumbai Thursday. Deepak Joshi

only interest would be that the nullahs be cleaned relentlessly, to the extent that the brooms and sludge removing machines are able to hit the base of the water bodies easily, without obstruction," said Shinde.

He also said that the civic officials should identify some of the chronic flooding spots on priority, based on which desilting and

sludge removal should be done in a continuous manner.

"The civic body has been entrusted with the responsibility of tackling flooding woes in Mumbai, and if the work is good, we do not mind felicitating the officers. But, if the work is not done properly, we will take action accordingly," Shinde said.

Last week, Mumbai BJP pres-

ident Ashish Shelar and former municipal corporators inspected the desilting work in the city. Shelar then said that only 25-30 per cent of the pre-monsoon work had been done, and alleged that the appointed contractors were "manipulating the figures" of daily sludge removed from the water bodies.

On this, civic officials said on Thursday that 90 per cent of the pre-monsoon desilting work has been done in eastern suburbs, followed by 89 per cent in western suburbs, and 75 per cent each in Mithi River and island city. According to BMC data, 93 per cent of the minor drains have been desilted so far, and it is pertinent to note that Mumbai has an overall 2,200-km labyrinth network of drains.

"We are aiming to finish the desilting work by May 31, following which, we will keep a one-week buffer to review and finish additional requirements, if any," P Velrasu, additional municipal commissioner (Projects) said.
