## Press Release: Update on Legal Action

### Company Statement

Kay Cee Energy & Infra Limited., a company registered under the Companies Act, 2013 (CIN. No. U74900RJ2015PLCO46976), has been engaged in Engineering, Procurement, and Construction (EPC) work since 2015. With a track record of executing over 500 projects—including major contracts exceeding ₹400 crore. The company has earned a strong reputation in infrastructure development, especially in high-voltage transmission lines (132 kV to 765 kV) for both central and state government agencies.

The company has always conducted its business ethically and lawfully, and it maintains a zero-tolerance policy towards misconduct or malpractices in tendering, execution, or documentation processes.

### Details of Legal Proceedings and Defendants

Kay Cee Energy & Infra Limited has initiated a civil suit for defamation before the **Hon'ble District & Sessions Court, Jaipur**, in response to the publication of false, defamatory, and malicious allegations against the company. These statements, made without any lawful basis or verification, have caused severe reputational, financial, and operational harm to the company.

The defamatory content includes accusations of forgery, misrepresentation, and fraud in securing government contracts—claims that have not been substantiated by any legal authority or investigation.
