Vibrant Gujarat: 16 more MoUs signed

FE BUREAU
Ahmedabad, December 27

THE GUJARAT GOVERNMENT on Monday inked 16 more memoranda of understanding (MoUs) as part of the upcoming 10th edition of Vibrant Gujarat Global Investments Summit (VGGIS).

The MoUs were done in the areas of waste-to-energy, hospitality and defence accessories. Since last five Mondays, the state government is signing MoUs with investors and total as many as 96 MoUs have been signed worth over ₹55,000 crore.

Though details of the MoUs haven't been disclose related to 16 fresh MoUs inked in presence of senior minister Rajendra Trivedi and Minister of State for industries Jagdish Panchal, but the state government in its official press communique claimed that Taj Group of Hotels has zeroed in to develop a five-star category hotel near

Statue of Unity in Kevadia. "The upcoming five-star hotel project would generate huge employment opportunity for people staying in and around Kevadia area, especially members of tribal community. Such project would bring a large number of high-end tourists with immense purchasing power and hence it would boost cottage and handicraft sector in which generally tribal people are actively involved," said the state government.

Sources in the state industries department said that among the other important MoUs were a waste-to-energy plant as well as waste-to-oil plant in Gujarat to encourage clean environment movement. Such projects would help to reduce air-pollution in highly urban areas, said the sources without divulging details about the locations of these plants.

The state government claimed that an MoU was signed for 70 MW hybrid

renewable energy park. Besides, investments commitments for insecticides formulations plant and specially

chemicals plants were also done during the fifth tranche of MoUs ahead of the VGGIS 2022.

Siemens Gamesa to supply turbines for 302-MW wind project in India

FE BUREAU
New Delhi, December 27

SIEMENS GAMESA SAID on Monday that it has won an order to supply 302 mega-watt (MW) of wind power turbines from Ayana Renewable. The financial details of the deal was not disclosed. Ayana had won the project, expected to be commissioned in 2023, in the tenth auction tranche conducted by the Solar Energy Corporation of India (SECI) in March when the lowest tariff of Rs 2.78 per unit was discovered. Ayana Renewable Power is backed investors such as UK's CDC and the National Investment and Infrastructure Fund.

Turbines for this project will be supplied from Siemens Gamesa's manufacturing plants in India. The company, operating in the country since 2009, has one blade factory in Nellore, Andhra Pradesh, another manufacturing plant Chennai, Tamil Nadu. It also runs an operations and maintenance centre in Chennai.

SECI has so far held eleven reverse auctions for wind power since February 2017. The highest tariff of ₹3.46/unit was discovered in the maiden auction, and the lowest rate of ₹2.44/unit was discovered in the third tranche in February, 2018.

The country has set a target to raise the capacity of installed renewable energy generation plants from the current level of 100 GW to 450 GW by the end of 2030.

Currently, solar power has become the key driver of capacity addition in the renewable energy sector, increasing its share in the overall green mix to around 47%, surpassing wind power capacity in FY21. Analysts have pointed that the wind market may not be key driver in medium term due to the widening gap between solar and wind tariffs. Solar rates plummeted to record low of ₹1.99/unit in December, 2020.

PM Modi lays foundation of projects worth over ₹28,000 cr in Mandi

Prime Minister Narendra Modi on Monday attended the ground breaking ceremony for 287 investment projects worth over ₹28,197 crores in Himachal Pradesh's Mandi to mark the fourth anniversary of the Jai Ram Thakur-led BJP government in the state. The prime minister is also expected to address a rally at the Paddal ground in Mandi, the home district of Chief Minister Thakur. Earlier, Modi, accompanied by Union minister Anurag Thakur, visited an exhibition put up by various departments of the state government. A Global Investors' Meet was held in Dharamsala on November 7-8, 2019. The first ground breaking ceremony of projects worth over ₹13,656 crores to turn these proposals into reality was held in Shimla on December 27 the same year in the presence on Union Home Minister Amit Shah. —PTI
