Dear Sir/Madam,

Sub: Information Update

We are pleased to announce starting new project of installing 4 telecom ducts between Thane and Bhivandi length 22 KM, execution period 12 months and revenue of 20 Crores.

We are in process of launching ultra hightech tissue engineering subsidiary at KHARGHAR Sector 33 behind NM college in November 23, Our group company (KAMMR) is in process obtaining medical trials and relevant approvals from ICMR for type 0 collagen and other products developed with help of IIT Mumbai SINE and KJ Sommaiya Bio riddle, We are also working on organ on chip technology for precise diagnoses and drug delivery system. This group company will be merged with KDL once incubation period is completed in 2026. (Specific details are available on website.)

Investor presentation and Con-call is also scheduled at the month end for investor awareness about future growth.

Kindly take the intimation on record and acknowledge receipt of the same.

Thanking You,

Yours faithfully,
For **KORE DIGITAL LIMITED**
(Formerly Known as Kore Digital Private Limited)
