Dear Sir/Madam,

Subject: Malicious misinformation on social media about company specifically about award of MSRDC tender.

We have received allotment letter no COM-2023/02/EE/C.R.28/ADT/1843 Dated 15.03.2024 from MSRDC Ltd. Regarding Samruddhi Mahamarg Optic fiber project updated by the company on NSE Portal on 18/03/2024.

Social media news that the above tender is canceled is "fake" ill informed and intentional lie, Further, Company operates thru vendors and subcontractors keeping limited staff on payroll so that EPFO registration is not required, similarly GST is up to date till Feb 2024. The above referred tender was allotted on second call. Investors are advised to send email to us and verify before believing such misinformation.

Any investor interested in further verification can obtain this information which is available to public thru RTI to MSRDC. The said allotment letter is not uploaded on website as it contains commercial terms and publishing the same can have negative impact on project's revenue.

We assure our investors of best results for current financial year and years to come as the above project will give a constant stream of revenue for next 15 years to the company.

Kindly take the intimation on record and acknowledge receipt of the same.
Thanking You,

Yours faithfully,
For **KORE DIGITAL LIMITED**
