-

Mumbai, November 3, 2010: KEC International Ltd. (KEC), one of the leading players in the Infrastructure EPC space and a global leader in the power transmission EPC business, today announced its unaudited consolidated results for the second quarter ending September 30, 2010. KEC is the infrastructure flagship of the ₹ 17,000 crore RPG Enterprises.

The company's consolidated net revenue stood at ₹ 1000 crore as against ₹ 875 crore in the corresponding quarter of the previous year, registering a growth of 14.3%.

Profit before Tax (PBT) before exceptional items was ₹ 71.5 Crore at 7.1% of revenues as against ₹ 60.8 Crore at 6.9% of revenues. Exceptional items during the quarter include ₹ 8.5 Crore under the Voluntary Retirement Scheme for employees.

Profit after Tax (PAT) was ₹ 42.7 crore at 4.3% of revenues as against ₹ 42.1 crore at 4.8% of revenues in the corresponding quarter last year.

The company's board has approved Share Split by Sub-division of Equity Shares of the Company from the Face Value of ₹ 10 per share each to the Face Value of ₹ 2 per share.

Fresh orders pour in

Recently, the company has signed an agreement with SNC Lavalin, Canada for supply of high voltage transmission line towers for their various projects in Canada. The value of this contract upon completion of the supplies will be ₹ 735 crore (US\$ 165.25 Mn). This agreement enhances the presence of KEC in the Americas and further emphasizes the company's leadership in the transmission tower manufacturing space.

In addition to above order, the company has secured following new orders during the quarter:

- Transmission line orders on turnkey basis from Nigeria (₹ 158 crore); Power Grid Corporation India Ltd. (₹ 135 crores) and Parbati Koldam Transmission Company Ltd., a Joint Venture between Reliance Infrastructure Ltd. & Power Grid Corporation of India Ltd (₹ 95 crore)
- Orders in Railway segment involving civil infrastructure works on turnkey basis from Indian Railways, India. Total value of these orders are ₹ 112 crore.

- Supply orders for Low Tension, High Tension and Extra High Voltage Power Cables worth ₹ 176 crore from various customers.

With these new orders, the company's current order book stands at its highest ever, ₹ 7000 crore.

"The Canada order marks the continued success of KEC in the North America Region which comes on the back of the acquisition of SAE Towers in USA in September 2010. KEC, along with SAE Towers, is uniquely positioned to capitalize on the large & growing markets of the Americas.

Going forward, fuelled by a healthy order book and a sizeable amount of tenders in the pipeline, we are confident of showing an impressive performance in the near future," said Ramesh Chandak, MD & CEO of KEC International Limited.
