Respected Sir,

**Ref.: Discrepancy in Financial results for the year ended March 31, 2025**

With reference to your email dated September 29, 2025 with regards to the Financial result submitted for the year ended March 31, 2025 submitted by the Company to the Exchange for the year ended March 31, 2025, we would like to give our inputs/clarifications are as follows:

**Your query:**

1. Financial results submitted in XBRL with discrepancies\_Company has submitted half yearly figures in XBRL for consolidated. Kindly resubmit the revise xbrl and then provide clarification.

**Our Reply:**

We would like to inform you that due to an inadvertent error, the financial results for the current quarter were initially filed under the category "Half-Yearly" instead of "Quarterly."

Following this, we submitted the **revised Standalone Financial Results** in XBRL format under the correct category. However, due to system restrictions, we were initially unable to submit the **Consolidated Financial Results in XBRL format**.

We would now like to confirm that the **revised Consolidated Financial Results in XBRL format** have also been successfully submitted.

Kindly note the same.

Thanking you,
