NOTES

- The working of the Sugar Factory, which is the predominant activity of the Company and Seed Division is of a seasonal nature. The quarterly financial results are therefore not indicative of a full year's working.
- The Company has obtained approval from the Registrar of Companies to extend the Financial Year by further 3 (three) months to 31st December, 2014 i.e for 18 (Eighteen) months period. Hence unaudited results for quarter ended 30th June, 2014 is published.
- The Company has incurred significant operational losses in Sugar Division during the current period due to a steep decline in sugar prices and uneconomically high Sugarcane prices. Considering the various representations made by the Industry, the State Government of Uttar Pradesh has decided to form a high level committee to determine a fair sugarcane pricing policy and to restore the viability of the Sugar Industry and the Company is hopeful that pursuant to the same the Company would turnaround in near future. Accordingly, these financial result have been prepared on a going concern basis, despite accumulated losses resulting in erosion of its network.
- The Company has filed required form with Board for Industrial and Financial Reconstruction (BIFR) as required under Section 23 of "The Sick Industrial Companies (Special Provisions) Act, 1985".
- The Company has surrendered significant portion of Farm Land pertaining to "Agricultural Division" to State Government in terms of U.P. Imposition of Ceiling on Land Holding Act, 1960 and as a result operations of the Agricultural division are significantly reduced. Further, capital employed of the "Seed Division" and "Agricultural Division" are not comparable with previous period, since, with effect from 1st July, 2013 all assets and liabilities of "Agricultural Division" are merged with the "Seed Division".
- The recently introduced, Companies Act, 2013 (Schedule II) specifies provisions of depreciation based on useful lives of the assets as against fixed percentage of depreciation under schedule XIV of the Companies Act, 1956. In compliance with the provisions of the Companies Act, 2013, the management of the Company has identified tangible fixed assets and its major components and has reviewed their remaining useful lives. On account of above change, depreciation for current quarter is lower by Rs 75.73 Lacs. In respect of assets where remaining useful life is 'Nil', their carrying amount, after retaining residual value as at 1st April, 2014 as determined by the Management is Rs 122.74 Lacs, has been adjusted against opening balance of retained earnings as on that date. This being technical matter, has been relied upon by the Auditors.
- The above results were reviewed by the Audit Committee and were taken on record by the Board of Directors at their meeting held on 6th August 2014 and reviewed by the Auditors.
- Previous period/ year figures have been regrouped / reclassified, wherever necessary to conform to current period/ year classification.
