Ludhiana blast mastermind planned 'big strike' in Mum

Khalistani Ultra Multani Arrested In Germany

TIMES NEWS NETWORK

New Delhi: Germany has arrested prominent Khalistani terror plotter Jaswinder Singh Multani in what marks a breakthrough for India's counter-terror effort to foil plans of Pakistan's Inter

ANTI-ISI FIGHT

State Intelligence to engineer terror attacks in Punjab and other parts, including Mumbai.

The arrest of Multani, an activist of the ISI-backed Khalistani outfit, Sikh for Justice (SFJ), who is considered to be the mastermind of the recent blast in a Lud-

Cops at the site of the explosion

hiana court, happened on the basis of precise intelligence provided by Indian agencies. The arrested terrorist had drawn up a plan to carry out a big terror strike in Mumbai.

He is currently in German custody and will be questioned by Indian investigators. A close aide of SFJ leader Gurpatwant Singh Panu who led the Referendum 2020 campaign for Khalistan, Multani

has also been accused of plotting an assassination attempt on Balbir Singh Rajewal, a prominent farm leader who formed the vanguard of protests against the now-scrapped agricultural reforms laws, as part of a larger conspiracy to destabilise Punjab by provoking Sikhs.

Rajewal has been projected as the chief ministerial candidate of the 22 farm unions from Punjab which have decided to contest together all the 117 seats in the assembly polls due early next year.

The Indian government worked over the weekend to ensure Germany understood the gravity of the situation, particularly since a big terror attack seemed likely in Mumbai, with the intelligence agencies getting tipped off about the arrival of a cache of arms and explosives as well as efforts to gather a team to carry out the attack.

Kheri witness says no security despite SC order

Rudrapur: Tejender Singh Virk, a key witness to the violence that took place in Lakhipur Kheri on October 3, said on Tuesday that that despite the Supreme Court's order, the Udhampur Singh Nagar police has refused to provide him security, reports Aakash Ahuja. "My life is in danger and I have no one to protect me," he said.

Virk, who is the president of the Teral Kisan Sangathan and leader of the farmers group Samyukta Kisan Morcha, suffered serious head injuries and was operated on at a multi-specialty hospital in Gurugram, Haryana, after a convoy of cars allegedly belonging to Union minister Ajay Mishra's son Ashish — the prime accused in the case — hit him along with the four farmers who died in the accident that day.

In Hyderpora, bizman was used as human shield: SIT

Saleem.Pandit @timesgroup.com

Srinagar: A special investigation team headed by DIG (central Kashmir) Sujit Kumar Singh claimed on Thursday that Mudasir Gul was killed by Pakistani terrorist Bilal Bhai, his accomplice, on the directions of his mentors in Pakistan as they felt that Gul had informed the security forces about his presence in a building in Hyderpora, on Srinagar's outskirts, on November 15.

Hyderpora building owner Altaf Bhat, who had rented out some space to Gul, a property broker who also ran a call centre in the hired premises, was used as a human shield by the Bilal in his bid to escape, the police claimed. "Both terrorists, Bilal Bhai (from Pakistan) and Amir Magray of Gool Gulabgarh, Ramban, were carrying pistols when they tried to escape using

Bhat as a shield. The security forces who had cordoned off the building opened fire and Altaf Bhat was killed in cross-firing," DIG Sujit Kumar said at a press conference at the police control room here. DGP Dilbagh Singh and IGP (Kashmir) Vijay Kumar were also at the press conference.

The SIT report reveals that Amir Magray had been staying with Bilal, who belonged to the outfit TRF/Lashkar-e-Taiba, in the room hired by Gul in Hyderpora.

DIG Kumar said Magray was a terrorist and, when asked, had lied to the security forces when he told them there was no foreign terrorist in the building. DIG Sujit Kumar Singh, in his detailed presentation about the investigation into the Hyderpora encounter, said that CCTV footage and other evidence showed that Altaf was used as a human shield by Bilal Bhai.

'Akbar Allahabadi' turns into 'Akbar Prayagraji'!

Lucknow: Amid a furore over Akbar "Allahabadi" becoming Akbar "Prayagraji" on the Uttar Pradesh Higher Education Service Commission's website, officials on Tuesday blamed cyber mischief by hackers for the alleged slight on one of India's greatest Urdu poets, re-

WEBSITE HACKED

ports Isha Jain. A statement issued by the commission's deputy secretary Shiv Ji Malviya said the change in name was the result of an online intrusion and that it was being "rectified". The communique further said an inquiry had been recommended and strict legal action would be taken against those found guilty.

Five kids charred to death in Bihar; locals say LPG blast

Patna: Five children, aged 5-10, died in a fire that broke out in their house at Rajawar village under Rajaul police station in Banka district of Bihar on Tuesday, reports Sheezan Nezami.

Locals said the fire was triggered by an LPG cylinder

explosion. Police, however, did not confirm it. Banka SP Arvind Gupta said a burned cylinder and a regulator were recovered from the spot. He said of the five dead kids, four were siblings and the other a cousin. "All belongings in the house were gutted," he added.

National Rural Infrastructure Development Agency
(Ministry of Rural Development, Government of India)
5th Floor, 15- NBCC Tower, Bhikaji Cama Place, New Delhi-110068

Advertisement no. - NRIDA/NQM/02/2021
Empanelment of National Quality Monitors (NQMs) For inspection of Road and Bridge Projects under PMGSY (Rolling Advertisement)

Pradhan Mantri Gram Sadak Yojana (PMGSY) is a flagship programme of Government of India to provide good quality road connectivity in rural areas of the country. This is a centrally sponsored scheme implemented by respective States/UTs as per technical specifications prescribed by Indian Roads Congress (IRC) and Ministry of Rural Development, National Rural Infrastructure Development Agency (NRIDA), under Union Ministry of Rural Development (MoRD), provides technical and managerial support to States/UTs for implementing the Programme.

NRIDA proposes to empanel senior civil engineers, retired from Central/ State Government Departments/ Organisations, Public sector undertakings (PSUs) and serving/ retired faculty members of Government engineering colleges/ITIs/ NTIs/ Government research institutes, etc. who have worked/ consulted in the field of roads/ bridges construction, to work as National Quality Monitors (NQMs). The NQMs shall be required to carry out field inspection of roads and bridge projects spread over 2-3 districts in a State, in a span of 10-12 days in a month.

The details of eligibility and selection criteria, application format, guidelines for inspection, honorarium and travelling allowances admissible to NQMs etc. may be seen at www.pmgys.nic.in under advertisement/circular table, in vacancies section.

The application shall be sent only through e-mail on NQMSELECTION2021@GMAIL.COM. Interested candidates should send their duly recommended application, complete with all documents in one consolidated pdf file (not more than 10 MB size) in the prescribed format. No hard copies of Applications will be entertained.

The NQM shall be empanelled separately for inspection, of road projects, bridge projects and road & bridge projects. The Details of selection criteria for empanelment as NQM, is given at Annexure-I. The CV format for empanelment as national quality monitor is given as Annexure-II. The format of recommendation to be furnished by the employer of the candidate (as applicable for retired or serving officials) is enclosed as Annexure-III (a) and Annexure-III (b). Upon selection, the provisionally empanelled NQM is required to sign a code of conduct given at Annexure-IV and has to undergo a mandatory orientation program before empanelment. The guidelines for quality monitoring by NQMs is given at Annexure-V and the details of honorarium and travelling allowances etc. payable to NQMs are given at Annexure-VI.

Note: As this is a rolling/continuous call for applications, there is no last date of receiving applications. Applications, complete in all respects, will be considered for empanelment at periodic intervals.

CAG: 2nd-gen IITs lag in infra, research, intake

Hemali Chhapia & Yogita Rao | TNN

Mumbai: The second-generation IITs, eight of them, after a decade of their formation, are yet to find their footing, literally in some cases for want of 'promised land' from their respective state governments.

An audit report by the Comptroller and Auditor General (CAG) showed that some IITs constructed buildings that did not adhere to fire safety norms, while others did not utilise funds and loans for several years after money was received. Worse, the CAG points to a massive shortfall in enrolment numbers: As against the overall targeted intake of 18,880 students, only 6,224 students (33%) were admitted in the eight IITs during the first six years, "thereby not fully achieving its objectives of maximizing educational opportunity to students".

Of the land given to IIT Gandhinagar (IIT-GN), 150 acres was in ravines and prone to flooding and erosion. In lieu of the 150 acres, a request was made by IIT-GN for 165 acres of alternative land, which was not acceded by the Gujarat government. Only 249 acres was available with

Of the land given to IIT Gandhinagar, 150 acres was in ravines and prone to flooding and erosion. In lieu of the 150 acres, the institute made a request for 165 acres of alternative land, which was not acceded by the Gujarat government, notes the audit report

IIT-GN as of November 2020, thus hindering expansion.

The Himachal Pradesh government allotted 501 acres of land to IIT Mandi. Of this, 308 acres was forest land and of the remaining 193 acres, 19 acres was under dispute. Thus, for the first 10 years, IIT Mandi had only 173 acres (35% of the allotted land) for infrastructure development. The necessary permission for transfer of forest land was accorded in February 2021 by the Supreme Court and accordingly, the state issued orders (March 2021) for transfer of 308 acres land to IIT.

IIT Ropar, too, received a portion of land that was under dispute. In August 2019, the campus got flooded. "A portion of the boundary wall

and some equipment/furniture were damaged and IIT Ropar suffered a loss of Rs 3.46 crore due to the damage caused by the floods," the report said. IIT Bhubaneswar had to pull down portions of six buildings as they were non-compliant with fire safety norms.

Delays were observed in installing lab equipment, too. Two linear actuators were installed 1.5 years after they were delivered at IIT Bhubaneswar; in five instances of utilizing equipment, delays were observed at IIT Hyderabad ranging from 90 to 475 days. The scenario was similar at IIT Indore where 19 equipment were installed after delays of 3-125 weeks, the CAG observed.

SC: Insurer can't refuse med claim citing existing condition

'Proposer Duty-Bound To Disclose All Facts Within Knowledge'

New Delhi: An insurer cannot repudiate a claim by citing an existing medical condition that was disclosed by the insured in the proposal form, once the policy has been issued, the Supreme Court has said.

A bench of justices D Y Chandrachud and BV Nagarathna also said a proposer is under a duty to disclose to the insurer all material facts within his knowledge.

The proposer is presumed to know all the facts and circumstances concerning the proposed insurance, it added.

While the proposer can only disclose what is known to him, the proposer's duty of disclosure is not confined to his actual knowledge, it also extends to those material facts which, in the ordinary

course of business, he ought to know, the court said.

"Once the policy has been issued after assessing the medical condition of the insured, the insurer cannot repudiate the claim by citing an existing medical condition, which was disclosed by the insured in the proposal form and which condition has led to a particular risk in respect of which the claim has been made by the insured," the bench said in a judgment.

The top court was hearing an appeal filed by Manmohan Nanda against an order of the National Consumer Disputes Redressal Commission (NCDRC), rejecting his plea seeking a claim for medical expenses incurred in the US.

Nanda had bought an Overseas Mediclaim Business and Holiday Policy as he intended to travel to the US. On reaching the San Francisco airport, he suffered a heart attack and was admitted to a hospital, where angioplasty was performed on him and three stents were inserted to remove the blockage from the heart vessels.

Subsequently, the appellant claimed the treatment expenses from the insurer, which was repudiated by the

latter stating that the appellant had a history of hyperlipidaemia and diabetes, which was not disclosed while buying the insurance policy.

The NCDRC had concluded that since the complainant had been under statin medication, which was not disclosed while buying the medical claim policy, he failed to comply with his duty to make a complete disclosure of his health conditions.

The apex court said the repudiation of the policy by the United India Insurance company was illegal and not in accordance with law.

It said the object of buying a policy is to seek indemnification in respect of a sudden illness or sickness that is not expected or imminent and that may occur overseas. ■

Witness claims ATS forced him to take names of Yogi, RSS netas

Mumbai: A witness in the 2008 Malegaon blast case, whose statement had been recorded by Maharashtra Anti-Terrorism Squad, claimed in a court on Tuesday that the ATS had threatened him to take the names of Uttar Pradesh CM Yogi Adityanath and four other RSS leaders.

Notably, former Mumbai police commissioner Param

MALEGAON BLAST

Bir Singh, currently facing multiple cases of extortion, was posted as additional commissioner of the ATS, when it probed the blast case. The witness deposed before the special NIA court on Tuesday.

His statement had been recorded by the ATS when it probed the case, before the National Investigation Agency (NIA) took over the case. ■

Man splurges ₹76 lakh shown in his a/c, held

Pathikrit Chakraborty | timesgroup.com

Lucknow: A petrol pump employee, who went on a shopping spree with his wife, bought an SUV worth Rs 15.71 lakh, jewellery worth Rs 22.47 lakh, iPhone handsets worth Rs 5 lakh and splurged Rs 76.2 lakh in total after a technical error strangely showed money in his account was arrested and sent to jail on Tuesday after the bank manager filed a complaint.

Petrol pump worker Karan Sharma who draws a monthly salary of Rs 11,000, went on a shopping spree

with his wife Anita and first booked an XUV300 worth Rs 15.71 lakh, then purchased jewellery worth Rs 18 lakh from Vinod Jewellers in Banthra on December 20.

The couple purchased more jewellery worth Rs 4.47 lakh from another shop on December 21, and iPhone handsets worth Rs 5 lakh on December 22, said police. On December 23, Sharma bought petrol vouchers worth Rs 2 lakh from the pump where he worked. The same day officials from the Central Bank of India had called him.

Ch'garh official benched for remark on Babu

Raipur: A Chhattisgarh government officer was suspended on Monday for allegedly posting derogatory remarks against Mahatma Gandhi on his social media handle. The officer, Sanjay Dubey, claimed his phone was hacked. He said he hadn't posted the content and that he held Gandhi in high regard.

A screenshot of his Facebook wall showed a derogatory post on Gandhi, triggering protests by Congress. Dubey, an assistant food officer, was suspended immediately for violation of Chhattisgarh Civil Services (Conduct) Rules, 1965. ■

New Delhi: Congress president Sonia Gandhi on Tuesday said divisive ideologies, which had no role in India's freedom movement, are tearing apart the country's social fabric, as she asserted that her party will fight these forces with all its command irrespective of its electoral fortunes.

In her message to party workers on Congress's 137th Foundation Day, Sonia said ideologies, anchored in hate and prejudice, are playing havoc with social amity. "They are rewriting history to give themselves a role (in the freedom struggle) they do not deserve. They inflame passions, instill fear and spread animosity. The finest traditions of our parliamentary democracy are being deliberately damaged," she

Congress flag falls off the pole while being hoisted by party chief Sonia Gandhi on the party's 137th foundation day in New Delhi on Tuesday

said. Congress will never compromise on its ideology "that is part of its glorious legacy", she added.

Though Sonia did not name any party, her broadside was an unmistakable

aim at BJP.

"Electoral ups and downs are inevitable, but what is enduring and lasting is our commitment to the service of all people of our diverse society," she said.

Dharma Sansad hate speech accused vow to 'promote agenda'

MS Nawaz & Sheo Jaiswal | TNN

Haridwar: Even as the Uttarakhand police served notices of appearance to former Shia Waqf Board chief Waseem Rizvi alias Jitendra Tyagi and Sathvi Annapurna, who are accused of delivering hate speeches at the now-controversial Dharma Sansad in Haridwar, organisers of the event met once again on Tuesday at the Shambvi Ashram and formed a 21-member core team to "promote the Sansad's agenda across India".

Rizvi and Annapurna were present at the meeting, along with Ghazalabad's Darna Devi temple head priest Yati Narsinghanand and right-wing organisation Hindu Raksha Sena president Swami Prabodhanand. They vowed to "organise such

Ch'garh CM warns sadhu of action

Surrender or police are coming for you, Chhattisgarh CM Bhupesh Baghel warned Kalicharan Maharaj on Tuesday after he released a video, saying he didn't regret using 'apshabd' (derogatory words) for Mahatma Gandhi. ■

Prabodhanand said, "We are being name-called on social media...we are not 'fake saints'. All those who took part in the Dharma Sansad belong to akharas and other prominent organisations. We have decided to form a core committee to promote our agenda and organise such events across India."

LEAVING NO CORNER UNTOUCHED: People watch the boat ambulance leave from Dhankhedi village

Floating ambulance takes vaccines to remote forests

Aditya Waikuli | timesgroup.com

Nandurbar: An intense effort to vaccinate people against the coronavirus in the remotest parts of Nandurbar is underway.

Health teams from two primary healthcare centres travel by boat on Narmada river, then trek across the hilly landscape to reach hamlets in the forested area of the Satpura ranges, where small populations have yet to receive their first dose. Nandurbar is among the districts with the lowest vaccination numbers in Maharashtra.

The door-to-door vaccination drive is indeed gruelling. Health teams on the boat ambulance travel for several hours, from place to place, then they trek to the hamlets for another 2-3 km with the vaccine doses. Led by Dr Anil Patil, one of the teams, calls out to every single person they meet during their voyage. These may include villagers on foot, boatmen, fishermen, even women collecting firewood in the

The door-to-door vaccination drive is gruelling. Health teams on the boat ambulance travel for several hours, then they trek to the hamlets for another 2-3 km with the vaccine doses

forest. The journey starts early in the morning. As the team moves along the water encountering smaller boats, they ask every villager in them about their vaccination status. As they sail along, Asha and anganwadi workers from hamlets on hilltops spot the bright white of the boat ambulance in the blue waters of the Narmada and come to the banks with food and a word of encouragement.

On Saturday, when the boat ambulance docked close to a hamlet, an Anganwadi worker and her husband brought fish and rice for the

team. Nurse Kala Padvi took it with a grateful smile and stored it away on the boat for the members to share later.

The team also cooks food and spends the night on the boat before they are off the next day looking for more people to vaccinate. They go by the Aadhaar information of the people and then proceed with the inoculation.

"Once we enter the boat, we travel and stay on it for 2-3 days. These areas are so remote that we cannot go back to our health centres in the evening. So, we spend the night on the boat or in the hamlet and continue the vaccination drive the next day," Dr Patil said. The team vaccinated 48 people on Saturday after covering six hamlets. "If 50 people take the jab, we consider this a good response, as vaccine hesitancy is high in these areas. Sometimes, we travel for hours before coming across a person ready for vaccination in the hamlets," he said.

NIV's 1st woman director dies at 94

TIMES NEWS NETWORK

Pune: Dr Khorshed M Pavri, former director of the Pune-based National Institute of Virology (NIV), breathed her last in Mumbai on December 27. She was 94.

She was NIV's first woman director and steered the institute to great heights during her tenure (1978-88).

Dr Pavri was an eminent virologist and her core areas of inter-

est included viruses that cause hepatic (liver) and enteric (intestinal) infections. She made significant contributions to the understanding of the transmission of hepatitis A, B, and E viruses and the identification of enteric viruses that caused fatal gastroenteritis among children.

She contributed to the foundation of modern clinical and epidemiological research on arboviruses in the country. She was also

an authority on several virology diagnostic techniques. Dr Pavri was non-compromising and always expected high standards of research while being a source of inspiration to young scientists.

She served on many national and international committees, including those of the World Health Organization. She was a member of the scientific committee to the cabinet and also of the World AIDS Foundation.

All-year beach shacks, sand removal OK'd in CRZ draft

Mumbai: Beach shacks in Maharashtra and Goa could soon become a permanent feature, as also sand mining on beaches in the name of removal of sand bars. Further, development and production of oil and natural gas and all associated facilities like exploratory drilling operations shall be exempted from prior Coastal Regulation Zone clearance, reports Clara Lewis.

The Union ministry of environment, forests and climate change last month issued a draft notification to further amend the CRZ notification, 2019. The changes proposed include allowing temporary and seasonal structures (shacks) to be retained during the monsoon season. These structures are customarily put up between September and May. It has further proposed allowing sand bars in the intertidal areas to be removed by coastal communities only by manual method using small boats, baskets/buckets by human beings.

The draft notification states, "These (shacks) may be retained during the months of June to August provided the facilities available in these structures remain non-operational during these months." On removal of sand bars, it says, "The state government may permit such removal of sand in specified time period in

a particular area along with specific quantity on a yearly basis."

Activists and environmentalists have slammed the draft notification. Advocate Godfrey Pimenta said the retention of shacks for the entire year would end up giving an ugly look to most beaches and give them the status of permanent structures. "Sand bars and their vegetation cover offer natural protection against coastal flooding. Both these amendments must be dropped," he said.

ACTIVISTS SLAM RULE

Environmentalist Debi Goenka said exploratory drilling will also cause environmental damage, water pollution and disturbance to marine life. "The proposed amendment indicates that economic interests are more important than protection of the environment."

Goenka said the draft notification allows small infrastructure projects such as jetties, breakwaters, slipways etc to be cleared at the state level. "There will be no independent appraisal of any project that is driven by a politician or a powerful builder," he said.

Government of Tamil Nadu
VILLUPURAM HIGHWAYS
(CONSTRUCTION & MAINTENANCE) CIRCLE

TENDER NOTICE
T.N.No. 36/2021-22/HDO. DATED: 22-12-2021
