Kindly take the same on your record

Thanking you,

Yours faithfully,
for KHAITAN CHEMICALS AND FERTILIZERS LIMITED

CS KAMLESH JOSHI
(Company Secretary & General Manager)

Emergency Credit Line Extended till November 30

Our Bureau

New Delhi: The government has extended the Emergency Credit Line Guarantee Scheme (ECLGS) by a month till November 30 and the entire Rs 1 lakh crore made available under the scheme is sanctioned, according to a Finance ministry statement on Monday.

Under the scheme, lending institutions have sanctioned loans amounting to Rs 2.03 lakh crore to 4,067 million borrowers and disbursed down to Rs 1.48 lakh crore as of date, it said. The decision was taken in view of the further easing of Covid-19 restrictions on various sectors of the economy and the expected rise in demand during the festive season, the statement said.

It would provide borrowers who had not yet availed of loans under the scheme with the opportunity to benefit from the relaxed loan terms, it said. Last month, the Finance Ministry Development Council, a representative body of non-banking finance companies (NBFCs), had written to Finance Minister Nirmala Sitharaman seeking extension of the scheme that was ending in October by another two months till December end.

More Credit

EDGS extended by 3 months, till Nov 30
Decision taken in light of opening up of economy
Expected demand increase during festive season
2.03 lakh crore sanctioned till date
1.48 lakh crore disbursed

Road Projects: Financial, Technical Specs Eased

LOCAL PUSH Annual average turnover threshold for EPC projects relaxed; panel to check if eligibility criteria unreasonably strict

Nishtha.Sahuja@timesgroup.com

New Delhi: The ministry of road transport and highways (MoRTH) on Monday relaxed the eligibility criteria for road projects built on Engineering, Procurement and Construction (EPC) mode to ensure wider participation by domestic companies.

A committee was set up in the ministry last month to see whether the eligibility criteria for road projects bid out on different modes were unreasonably strict, and led to exclusion of domestic companies. In a letter sent to its implementing agencies on Monday, MoRTH relaxed the financial and technical criteria, including the annual average turnover requirement for qualifying for EPC projects. Changes for projects built on Build-Operate-Transfer and Hybrid Annuity Mode were announced last month.

ET reported on October 30 that changes for EPC projects were to be announced.

Seeking Wider Participation

Changes in line with revised Make in India policy
MoRTH set up a committee to review eligibility criteria
Entry eased for HAM, BOT projects in October

Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday

EASIER ENTRY

MoRTH has revised the average annual turnover of the bidder to 15% of the estimated project cost for the last five years

Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday

PROJECTS

Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday

Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday
Annual average turnover threshold for EPC projects on Monday

projects have been expanded to hospitals, hotels, irrigation, water supply, smart city, allied gas and road infrastructure. Among other changes, the ministry has also relaxed the threshold for financial capacity for several highway projects, which will be 15% of the estimated project cost in case of projects up to Rs 100 crore and up to Rs 500 crore. For special and mega projects, the threshold for financial capacity has been revised to equal to the estimated project cost, or Rs 100 crore, for projects more than Rs 500 crore. Further, an additional qualification would be required for bidders up to Rs 100 crore and up to Rs 500 crore, being built on BOT mode, besides having constructed on similar work of 20% of the estimated project cost. The ministry has also brought down the size of eligible projects for construction technical experience from 10% to 5% of the project cost.

MEETING GST SHORTFALL

Second Tranche of ₹6K Cr Released

New Delhi: The Centre released the second tranche of ₹6,000 crore to all states and three Union Territories (UTs) on Monday taking the total amount released to states to meet the compensation shortfall on account of goods and services tax (GST) under the special scheme to ₹12,000 crore. The second tranche was moved at a weighted average yield of 4.42%, the Finance ministry said in a statement. "The amount will be passed on to the states/UTs at the state interest rate, which is lower than the cost of borrowings for the states and UTs, thus benefiting them," it said.

Separately, the Centre released ₹2,200 crore as the first instalment to 14 states including Punjab, West Bengal, Maharashtra, Rajasthan, for the improvement of air quality measures in their million-plus cities, based on the recommendations of the 20th Finance Commission. This will help the beneficiary states to undertake air quality measures. —Our Bureau

Business Sentiment up 41% in July-Sept: NCAER Survey

Our Bureau

New Delhi: Business sentiment shot up by 41% during the July-September quarter from a record low in the previous quarter, according to the Business Sentiment Survey conducted by the National Council for Applied Economic Research (NCAER).

The third task's Business Confidence Index (BCI) rose to 60.5 in the second quarter after recording a massive drop to 46.4 in the first quarter of the ongoing fiscal, according to a NCAER statement on Monday. However, this was still 36.5% below last year's levels and the 77.3 was in the final quarter of FY20, it said.

The survey found positive growth in sentiment on three aspects, with the largest improvement in capacity utilisation. About 58% stated that levels were either close to or above optimal in September as compared to 37% in July.

L&T Lowest Bidder for Another Bullet Project

Nishtha.Sahuja@timesgroup.com

New Delhi: After bagging the tender for the largest section of the Mumbai-Ahmedabad Bullet Train Project, Larsen and Toubro (L&T) on Monday emerged as the lowest bidder for another package connecting Vadodra with Ahmedabad, a source familiar with the matter said. L&T quoted ₹2,280 crore to emerge as the L1 (lowest) bidder.

The project is a Bharat Infrastructure Projects Ltd-NCC Ltd consortium and AECOM Infrastructure Ltd-Asian Infrastructure Development Bank (AIDB) project. The project is one of the other bid lots for the project.

Maharashtra Govt Assures of Faster Land Acquisition

New Delhi: Maharashtra government has assured the railway ministry of expediting the work on land acquisition for the Mumbai-Ahmedabad bullet train project, Chairman and CEO of Railway Board VK Yadav said on Monday. Only 22% of the required land has been acquired in Maharashtra.
