Sir / Madam,

Sub.: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

We wish to inform you that Kirloskar Ferrous Industries Limited (KFIL), a listed material subsidiary of the Company, has intimated to the stock exchange, where the shares of KFIL are listed, vide its letter dated 1 April 2020, pursuant to Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, that the Coke Oven Plant ('the Plant') has been commissioned on 31 March 2020 and the production of coke has started at the factory premises in Koppal District, Karnataka. Since the process of heating the ovens had started earlier, the Management of KFIL has decided that commissioning of the plant was the safer option.

KFIL has been adhering to from time to time recommended precautions against the COVID-19 and directives issued by the Government of India and State Governments, to ensure safety and well-being of employees involved.

Coke is a major raw material required for production of Pig Iron. Presently, Coke is procured by way of imports as well as from domestic market. After commissioning of the Plant, dependency on imported coke will be reduced.

A copy of the intimation submitted by KFIL, is enclosed for your read reference.

You are requested to take the same on your record.

Thanking You.

Yours Faithfully,
For Kirloskar Industries Limited
