Kaushalya Logistics Limited Partners with Maersk Line to Strengthen Surface Transportation in India

Mumbai, November 4, 2024: Kaushalya Logistics Limited (NSE: KLL), a diversified conglomerate specializing in logistic support to the cement players, has announce its recent agreement with Maersk Line, the world's second-largest container shipping company, based in Copenhagen, Denmark. Under this agreement, KLL will manage Maersk Line's surface transportation requirements throughout India, further solidifying its role as a leading logistics provider. This collaboration offers KLL the opportunity to leverage Maersk's extensive network, enhancing its transportation solutions and operational efficiency for clients across various sectors.

Maersk Line is globally recognized for its diverse range of services, including shipping, logistics, trade finance, online services, remote container management, and cargo handling. Through this collaboration, KLL is committed to delivering high-quality surface transportation aligned with Maersk's global standards. Maersk's inclusion strengthens KLL's position in the Full Truck Load segment, highlighting its reliability and ability to meet complex transportation needs across various industries.

KLL has a solid foundation in the FTL segment, with clients such as Bharat Electronics Limited, VMS Equipment Pvt Limited, and Epicu Beverages Pvt Limited, who will be benefitted from KLL's expanded infrastructure and enhanced capabilities. The addition of Maersk further strengthens KLL's credibility and showcases its ability to deliver high-quality logistics services.

This contract marks a strategic move for KLL, unlocking growth opportunities and diversifying its logistics offerings. Partnering with Maersk positions KLL for increased revenue and reinforces its commitment to providing comprehensive, end-to-end logistics solutions across India.

Commenting on the update Mr. Uddhav Poddar, Managing Director, Kaushalya Logistics Limited said, "We are delighted to announce our new contract with Maersk, a global leader in integrated logistics services. This agreement not only enhances our credibility in the industry but also significantly strengthens our capabilities within the Full Truck Load segment.

Securing Maersk as a client allows us to leverage their extensive resources and expertise, enabling us to provide more comprehensive and efficient logistics solutions. This contract will optimize our operations and enhance our service delivery across various sectors, ensuring we meet the evolving needs of our clients.

Our commitment to delivering the highest standards of service is reflected in this contract, which underscores our capability to handle large-scale logistics operations effectively. Further, the expansion of our client portfolio, which now features Maersk along with esteemed companies such as Bharat Electronics Limited, VMS Equipment Pvt Ltd, and Epicu Beverages Pvt Ltd, demonstrates our growing capacity to serve a wide range of industries effectively. We look forward to building on this momentum and continuing to enhance our service offerings in the logistics sector.

About Kaushalya Logistics Limited About Kaushalya Logistics Limited

Kaushalya Logistics Limited transitioned from construction to providing logistic support to the cement industry in 2010. Renamed Kaushalya Logistics Limited in 2023, it operates in 70 locations across multiple states, serving Dalmia Cement Bharat Limited.

As a diamond-categorized seller on a major E-commerce platform, it has a strong national presence in 17 states, headquartered in New Delhi. Besides logistics, Kaushalya Logistics diversified into commercial real estate, owning and renting commercial shops.

Positioned as an integrated provider of Logistics and Clearing and Forwarding (C&F) services, it aims for expansion into other logistics sub-segments and additional verticals, driven by a strategic vision for sustained growth.

For FY24, the Company has reported Total Revenues of ₹1,47,832.91 Lakhs, EBITDA of ₹1,951.73 Lakhs & Net Profit of ₹910.29 Lakhs.
