Subject: Clarification to Disclosure dated 10th June, 2026 regarding Joint Venture Agreement for Development of Hyperscale Data Center Project

Dear Sir/Madam,

This is in continuation to our disclosure dated 10th June, 2026, submitted under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding the execution of a Joint Venture Agreement for the development of a Hyperscale Data Center project near Navi Mumbai International Airport, Maharashtra, we wish to provide the following additional details for better clarity and the benefit of our stakeholders:

- The Joint Venture partner referred to as “Green Data Center USA” in the earlier disclosure is The Green Data Center, USA ([www.thegreendatacenter.com](http://www.thegreendatacenter.com)).
- The proposed Hyperscale Data Center project is envisaged as a 100% Foreign Direct Investment (FDI) project, with investments proposed to be mobilized through international investors and institutional capital.
- Kore Digital Limited (KDL) shall provide communication infrastructure and related services to the project and shall leverage its expertise in digital connectivity and associated solutions for supporting the development and operations of the data center ecosystem.
- The project is expected to attract participation from leading global institutional investors and real estate consultant, including JLL and other pension funds, subject to definitive documentation, customary approvals and finalization of investment arrangements.

The above clarification is being furnished to provide additional context to the disclosure already made by the Company and does not result in any change to the terms of the Joint Venture Agreement previously disclosed.

Kindly take the above information on record.
