1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results ("the Statement") of Jay Jalaram Technologies Limited ("the Company"), for the half year ended 30th September 2026, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This statement, which is responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 'Interim Financial Reporting' (AS 25), prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of listing regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) of 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing and consequently does not enable us to obtain assurance that we could become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25, "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements Regulations, 2015), as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.
