Notes:

The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their respective 1) meetings held on February 12, 2025. The statutory auditors have carried out a limited review of these financials results.

Exceptional item of income of Rs.633.91 lakhs is on account Electricity matter (Startup Power) refund / reversal of provision. 2)

The decrease in the revenue from operations and reduction in profits is mainly on account of lower crushing owing to lower availability of the raw material (sugarcane) on account of deficit rainfall and pest attack. Also, since the overall sugarcane availability in the Company's Command area is not 3) adequate to run both the units(Kattur & Sathamangalam) at the optimum level, only the Kattur Unit is being operated for the Sugar season 2024-2025.

The Company did not have any subsidiary / associate / joint venture company(ies), as on December 31, 2024. 4)

The figures pertaining to previous periods have been regrouped wherever considered necessary in conformity with the present classification. 5)

Sugar being a seasonal industry, the performance of any guarter may not be representative of the annual performance of the Company. 6)
