## Press & Media Release

Vadodara, 21<sup>st</sup> November, 2024

### Kotyark Industries has been allocated tender for supply of 48,381 KL Biodiesel to OMCs worth ~₹564 Cr.

Kotyark Industries Limited, India's only pure play listed Biodiesel Company, has been allocated the tender for supply of 48,381 KL of Biodiesel between October 2024 to September 2025. The Company will be supplying Biodiesel to IOCL, BPCL and HPCL.

The key details of the allotted tender are as follows:

| Locations                 | Kotyark Industries Limited ("KIL") |               |               |               |
|---------------------------|------------------------------------|---------------|---------------|---------------|
|                           | IOCL                               | BPCL          | HPCL          | Total         |
| <b>Total Qty. (in KL)</b> |                                    |               |               |               |
| Gujarat                   | 3,032                              | 9,014         | 4,735         | 16,781        |
| Haryana                   | 4,200                              | 1,908         | 5,965         | 12,073        |
| Madhya Pradesh            | 2,086                              | 845           | 133           | 3,064         |
| Maharashtra               | 600                                | 100           | 100           | 800           |
| Punjab                    | 6,555                              | 919           | 3,598         | 11,072        |
| Rajasthan                 | 3,580                              | 575           | 436           | 4,591         |
| <b>Total</b>              | <b>20,053</b>                      | <b>13,361</b> | <b>14,967</b> | <b>48,381</b> |

#### Commenting on the order win, Gaurang Shah, Chairman cum Managing Director, said:

"We are thrilled to announce that Kotyark Industries has secured a significant order for 48,381 KL of Bio Diesel, with an estimated value of ₹564 Cr. (approx) excluding GST and Transportation Charges. This achievement marks another operational milestone for our Company, following our recent tender win in FY25. The scale of this order not only provides us with strong revenue visibility for the remainder of FY25 but also sets a robust foundation for the start of FY26.

This latest success further cements Kotyark's position as a prominent player in the Indian biodiesel landscape. Our consistent ability to secure orders from all key Oil Marketing Companies (OMCs) in the country is a testament to the quality of our products and the reliability of our operations. These consecutive wins underscore our expanding market presence and signify a substantial increase in our operational scale.

As we continue to grow and evolve, Kotyark Industries remains committed to playing a pivotal role in India's transition towards biofuels and sustainable energy solutions. Our ongoing success in securing large-scale orders aligns perfectly with the nation's goals for a greener future. We are proud to be at the forefront of this transformative journey and look forward to contributing further to India's sustainable energy landscape."

#### About Kotyark Industries Limited

Kotyark Industries Limited, incorporated in 2016, is engaged in the manufacturing of biodiesel and its by-products, and is one of the key players across the state of Rajasthan and Gujarat in India. The Company focuses on green energy and sustainable development of renewable resources (biofuel) through the adoption of environmentally friendly technology. It's manufacturing unit at Swaroopganj, District Sirohi, RICCO, Rajasthan has a capacity of producing 1,500 KL Bio Diesel per day and 210 KL Crude Glycerine per day from multi feedstock and another Unit at Padgol, Dist. Anand, Gujarat has a capacity of producing 100 KL of Bio Diesel per day from multi feedstock.
