### Sub.: Receipt of International Order for Solar + Battery Energy Storage System (“BESS”) Project

Dear Sir/Madam,

Apropos the captioned subject and pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that **Sun Drops Energia Limited** (formerly known as Sun Drops Energia Private Limited), a subsidiary of **KPI Green Energy Limited** (“the Company”), has received an international order from **FVE Lifecare General Trading LLC, United Arab Emirates** for the supply, installation, and commissioning of a **33 kWp Solar Power System integrated with a 573 kWh Battery Energy Storage System (BESS)** to power a containerized **Data Centre Facility**.

The receipt of this order reflects the Company’s **expanding international presence beyond Indian territory** and demonstrates its **growing capability to enter newer growth segments**. The project highlights the increasing relevance of **integrated solar and/or wind & battery energy storage solutions** in ensuring uninterrupted and efficient power supply for commercial and industrial applications including Data Centres.

**Battery Energy Storage System (BESS)** projects are grid-connected or standalone energy storage facilities that enable **energy storage during off-peak periods and discharge during peak demand—supporting grid stability, peak load management, and renewable energy integration**. In addition, BESS plays a critical role in providing reliable backup power for mission-critical infrastructure such as data centres, ensuring uninterrupted operations during grid outages.

With the **rapid growth of data centres** globally, which require highly reliable, customised, **round-the-clock power solutions**, this order underscores the company’s capability to **address the evolving energy needs** of data centre operators through integrated renewable energy and energy storage solutions.

This milestone reflects another important step in the Company’s **growth journey**, as it continues to achieve **meaningful operational and business progress** while steadily expanding its **capabilities across emerging clean energy segments**.

## ANNEXURE I

**Details under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read along with SEBI Master circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024**

Sr. No.	Particulars	Details
1	name of the entity awarding the order(s)/contract(s);	FVE Lifecare General Trading LLC
2	significant terms and conditions of order(s)/contract(s) awarded in brief;	The order comprises supply, installation and commissioning of a 573 kWh BESS with BMS/EMS, 120 kVA modular UPS system, and a 33 kWp solar PV system (excluding modules), along with related electrical panels, cabling and balance-of-system components, including system integration for a containerized data centre facility.
3	Whether order(s)/contract(s) have been awarded by domestic / international entity;	International Entity
4	nature of order(s)/contract(s);	Purchase Order
5	time period by which the order(s)/ contract(s) is to be executed;	As per the project schedules stipulated under the respective order.
6	broad consideration or size of the order(s)/contract(s)	The order size comprises 33 kWp solar PV capacity along with 573 kWh BESS and UPS systems.
7	whether the promoter/ promoter group / group companies have any interest in the entity that awarded the order(s)/ contract(s)? If yes, nature of interest and details thereof;	No
8	whether the order(s)/contract(s) would fall within related party transactions? If yes, whether the same is done at 'arm's length'	No
