**Sub.: Completion of 92.4 MW Wind Power Project for Ayana Renewable Power**

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, KPI Green Energy Limited is pleased to inform that it has **successfully completed 92.4 MW wind power project for Ayana Renewable Power Four at Nakhatrana, Bhuj, Gujarat.**

The project comprises **28 wind turbine generators (WTGs)**. Company has completed all works under its scope, including **Balance of Plant (BOP), Power Substation (PSS), EHV transmission line**, and erection and installation of the WTGs.

The project has received the requisite CEA approval, reflecting Company's execution capabilities in delivering **large-scale and complex renewable energy infrastructure projects**, while contributing to **India's clean energy transition and strengthening the country's renewable power capacity.**

This is for your information and records.

Thanking you,

Yours faithfully,

**For KPI Green Energy Limited**

**Moh. Sohil Yusuf Dabhoya**
