KPIT Cummins Becomes a SuccessFactors Partner

Partnership will help customers maximize SuccessFactors Business Execution (BizX) adoption leveraging KPIT's Specialized Consulting and Implementation Expertise

Pune, New Delhi, INDIA – March 14, 2013 – KPIT Cummins (BSE: 532400, NSE: KPIT), a leading IT consulting and product engineering partner to global manufacturing, automotive and energy & utilities corporations today announced that it has joined SuccessFactors, an SAP Company's partner program as a SuccessSales partner. Through this partnership, KPIT will provide advisory, business process maximization and implementation services for the cloud-based SuccessFactors Business Execution (BizX) suite. These services will be in the areas including Personnel Administration (PA) / Organizational Management (OM), benefits, global payroll, talent management, and HCM analytics solutions to corporations in its focus industry verticals.

With over 1,400 SAP experts & delivery consultants, KPIT will provide its customers services around SuccessFactors Business Execution (BizX) suite as well as the SAP® ERP Human Capital Management (SAP ERP HCM) solution leveraging its proven best practices and pre-packaged toolsets that enable accelerated speed to value through cloud-based or converged infrastructure deployments. Extensive application and technical expertise, highly experienced resources, and agility in resolving issues help reduce implementation time and cost while addressing additional functionalities for higher return on enterprise software investments.

"Business Execution is helping drive better business results and KPIT is working closely with SuccessFactors to make sure that companies can better empower their workforce to perform to their best potential in line with the overall company strategy," said Vaibhav Nadgauda, Executive Vice President, KPIT Cummins. "Through our experience in Human Capital Management (HCM) services, we are effectively complementing the SuccessFactors BizX Suite to help joint customers with consulting and services in the areas of strategy and transformation, change management, project management, configuration and implementation, systems integration, training, and support."

"Partners are integral to SuccessFactors' growth and expansion strategy," said Rajamani Srinivasan, Vice-President, Sales, SAP India Sub-continent, "As a SuccessSales partner, KPIT's proven best practices in HCM and talent management software consulting and services will help our joint customers optimize their use of the SuccessFactors Business Execution Software Suite effectively supporting the company's strategy execution."

As part of this partnership KPIT will strengthen and expand SuccessFactors adoption across Australia, China, Hong Kong (China), India, Japan, Malaysia, New Zealand, Singapore, South Korea and Thailand.
