KPIT Cummins wins 'Best Performance in Service Delivery' award from SAP India

Company's IP-driven approach is reaping benefits for customers

Pune, INDIA; May 22, 2013: KPIT Cummins Infosystems Ltd. (BSE: 532400; NSE: KPIT) today announced that the company has been conferred "Best Performance – Service Delivery Award for 2012" by SAP India. The award is in recognition of more than 20 successful projects executed by the company using IP based solutions in the domains of Manufacturing, Automotive, Industrial Machinery & Components (IMC) and High Tech, in SAP India. KPIT has secured this honour after thorough evaluation amongst the entire partner ecosystem across industries and verticals.

Congratulating KPIT Cummins on the award, Priyadarshi Mohapatra, Vice-President, Ecosystems, Channels and General Business, SAP India said, "KPIT Cummins well-deserves this recognition. They demonstrated highest level of commitment to drive delivery excellence on SAP products. Partners like KPIT Cummins support and extend SAP innovation as they co-innovate, consult and implement SAP solutions for its fast growing customer base."

Commenting on the achievement, Vishal Jain, Vice President, SAP Business Unit, KPIT Cummins said, "We are extremely pleased to receive this honor. The award highlights our success in two key areas: firstly we are able to offer the right solutions to our customers and execute them in the most effective manner, and secondly our IP based solutions keep costs at bay and focus on creating immediate business value. We will continue to push boundaries to achieve even better results for our customers. "

KPIT has been delivering business value based consulting and system integration services to manufacturing, automotive, hi-tech and energy & utilities customers leveraging the SAP platform. KPIT is an SAP Gold Channel & Services partner and a SuccessFactors® partner in India.
