# KPIT Cummins Names Güven Kivran as Managing Director for Automotive Operations in Germany

*Kivran to drive expansion and reinforce KPIT Cummins brand as specialist engineering solutions & services provider to the German automotive industry*

**Pune, INDIA, Munich, GERMANY – September 17, 2012** – KPIT Cummins (BSE: 532400; NSE: KPIT), a global IT consulting and product engineering partner to manufacturing, automotive & transportation, energy & utility companies, today announced the appointment of Mr. Güven Kivran as the Managing Director (Geschäftsführer) responsible for the Company's Automotive Operations in Germany. Based in Munich, he will be responsible for enhancing KPIT Cummins' brand and presence in Germany by building local delivery capability, recruiting talent and strengthening collaboration with the automotive manufacturers. Mr. Kivran will be the Managing Director (Geschäftsführer) along with Mr. Sanjay Mandal, President of KPIT Cummins' German operations.

Mr. Kivran joined KPIT Cummins through the company's acquisition of In2Soft GmbH, a high-end automotive software provider specializing in vehicle diagnostics, where he was the founder and Managing Director. He brings in over 20 years of experience in the automotive industry and has been successfully driving the vehicle diagnostics practice of KPIT Cummins, globally.

Commenting on the appointment, Mr. Anup Sable, Senior Vice President, Automotive & Engineering, KPIT Cummins said, "Germany is a pivotal geography in KPIT Cummins' global growth strategy and in Güven we have got an extraordinary leader to drive the business further and faster. We continue to see strong traction from German automotive companies for our offerings and Güven will focus on widening our presence and deepening our customer engagements. Leveraging his proven capabilities in building teams, managing customers and leading businesses, we see a significant expansion in Germany over the next two years." Mr. Sable added, "To globalize our strategy and operations we are bringing in more diversity into our leadership team and this appointment is a significant step."
