Dear Sir / Madam,

Subject: Plant shut down – Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We wish to inform that one of the Sulphuric acid plant requiring major repair has been shut down from 21st July 2023 for some technical fault.

We expect to resume operations in six weeks' time. However, it will not impact production of end product as the company has long term supply agreement for uninterrupted supply of the H₂SO₄ with Birla Copper, a unit of Hindalco.

You are requested to take this information on record.

Thanking you,

Yours faithfully,

For Krishana Phoschem Limited
