**Business Update: Order Win for Supply of Special Weld Consumables**

**Subject: KDAIL Secures order for Supply of Special Weld Consumables**

Dear Valued Stakeholders,

We are pleased to announce that Krishna Defence and Allied Industries Limited (KDAIL) has successfully secured a landmark order from the Ministry of Defence (MoD) for the supply of Special Weld Consumables, designated for a highly critical platform. This significant order, valued at **Rs. 88.41** crores (inclusive of taxes), comes after the successful completion of a rigorous trial order, which demonstrated KDAIL's ability to meet the stringent requirements of high-stakes defence application.

**Management Statement:**

In response to this milestone, the management team of KDAIL expressed their excitement, stating:

Securing this significant order post the successful completion of the trial order is a proud moment for us," said the management of KDAIL. "It reflects the confidence the Ministry of Defence places in our capabilities to deliver specialized solutions for critical platforms. This order, valued at **Rs. 88.41** crores (inclusive of taxes), further underscores our commitment to supporting the nation's defence with indigenous and high-performance products."

With this significant order our cumulative order wins for FY 2024-25 stands at a remarkable **Rs. 288** crores, equating to **2.72x** of our last year's total revenue. These figures represent more than financial success; they embody KDAIL's continuous innovation, operational excellence, and the unwavering trust placed in us by our clients. As we build on this momentum, our vision for the future is clear: to drive value and deliver cutting-edge, indigenous solutions that address the most pressing needs of the defence sector.

## **About Krishna Defence and Allied Industries Limited:**

Krishna Defence & Allied Industries Limited (“KDAIL”) formerly known as Krishna Allied Industries Ltd. is among India’s very few manufacturing houses with comprehensive in-house capabilities of designing, developing, and manufacturing a wide range of equipment for the Defence, Homeland Security & Dairy. Since KDAIL started in 1997, it has rapidly increased its production capabilities to a variety of products and customized components. The Defence Research and Development Organization (“DRDO”) has awarded the company various Transfer of Technology (“TOT”) agreements under the Defence sector for the production and supply of specialized defence application goods. Under its dairy vertical KDAIL manufactures and sells engineering products used in the Dairy Industry. The newest addition, the Homeland Security vertical, aims to create and trade in cutting-edge, versatile equipment for the military, coast guard, police, and forestry agencies that is used for inland security and border control. KDAIL has consistently espoused the idea of steady, organic growth for their company, in line with the national goal of achieving indigenous defence equipment manufacturing capabilities and self-sustainability in the years to come.
