Business Update: Order Win for Supply of Special Steel Product

Respected Sir/ Ma'am,

Krishna Defence and Allied Industries Limited (KDAIL) has bagged an order from Ministry of Defence for supply of Special Steel Product to be used for Naval Applications, worth Rs. 8.80 Cr inclusive of taxes executable over the next 180 days.

This order continues to build on KDAIL's exceptional manufacturing capabilities and the confidence its esteemed clients have in the company's ability to deliver critical and advanced products.

Management Comments:

Commenting on the order win, the management team of KDAIL stated:

"We are delighted to announce to our stakeholders that securing an order worth Rs. 8.80 crores from the Ministry of Defence for Special Steel Products designated for Naval Applications not only emphasizes the continued trust of our clients but also contributes to our highest-ever total order wins of Rs. 193.42 crores for the current financial year. With our ongoing expansion of capacity for existing products and introduction of new solutions for key applications, our order book is poised for sustained growth, enhancing our ability to execute effectively. This sustained influx of orders forms the cornerstone of our company's enduring resilience and long-term success in the ever-evolving business landscape."

About Krishna Defence and Allied Industries Limited:

Krishna Defence & Allied Industries Limited ("KDAIL") formerly known as Krishna Allied Industries Ltd. is among India's very few manufacturing houses with comprehensive in-house capabilities of designing, developing, and manufacturing a wide range of equipment for the Defence, Homeland Security & Dairy. Since KDAIL started in 1997, it has rapidly increased its production capabilities to a variety of products and customized components. The Defence Research and Development Organization ("DRDO") has awarded the company various Transfer of Technology ("TOT") agreements under the Defence sector for the production and supply of specialized defence application goods. Under its dairy vertical KDAIL manufactures and sells engineering products used in the Dairy Industry. The newest addition, the Homeland Security vertical, aims to create and trade in cutting-edge, versatile equipment for the military, coast guard, police, and forestry agencies that is used for inland security and border control. KDAIL has consistently espoused the idea of steady, organic growth for their company, in line with the national goal of achieving indigenous defence equipment manufacturing capabilities and self-sustainability in the years to come.
