Sub: Clarification in respect to movement in Price
Ref: Letter bearing reference No. – NSE/CM/Surveillance/12918 Dt: April 06, 2023

Dear Sir,

Please be informed that pursuant to Regulation 30 of SEBI (LODR) Regulations, 2015, the Company has kept the Exchange Informed of all the material events / information that may have a bearing on the operation / performance of the Company as and when happened.

As requested, please note that no further material event took place and there is no such information / announcement that may have a bearing on the price / volume behaviour in the script.

Further, the Company being unaware of the cause of the significant movement in the price of its security across exchanges, cannot comment on the same.

Again we also ensure that we will keep the Exchange informed of all the events and information that will have a bearing on the operation / performance of the Company which include all price sensitive information etc as and when applicable.

Thanks & Regards
For Kritika Wires Ltd.
