The e-voting module shall be disabled by CDSL for voting thereafter.
- Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- Pursuant to SEBI Master Circular No. SEBI/HO/CFD/POD2/CIR/P/2023/120 dated 11<sup>th</sup> July, 2023 under Regulation 44 of Securities and Exchange Board of India (LODR) Regulations, 2015, listed entities

are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
