Summarizing the business highlights, Mr. Prashant Kumar, Vice President - Sales and Marketing, KSB Limited, said, "This year, we have delivered strong sales performance, registering a 6.42% **YoY growth**, driven by disciplined execution and strategic market focus. We have seen robust traction across Solar, Building Services, Energy and WWW segments, strengthening our leadership position in core markets.

Key order wins across Solar, Oil & Gas, Power, and specialized service applications demonstrate our competitive strength. Our export momentum continues with significant project orders reinforcing our expanding global footprint.

With a balanced portfolio, strong standard business foundation, and growing export presence, we are well positioned to sustain growth and outperform market volatility in the coming quarters.”

Mr. Mahesh Bhave, Chief Financial Officer at KSB Limited, commented:

“We are pleased to report a stable and consistent financial performance for FY 2025, achieving growth in both revenue and profit, despite volatile Geo-political situation. The Board has recommended an increase in the dividend over last year, which reflects robust profitability commitment and continued value creation for investors.”
