The Company has progressively strengthened its business operations, manufacturing capabilities, internal systems and organisational processes since its listing on NSE Emerge. The increasing scale and maturity of the Company's operations, together with its long-term growth objectives, have led the Board to consider the proposed migration to the Main Board as a natural progression in the Company's corporate journey.

In this context, the Board of Directors, at its meeting held on September 01, 2026, subject to the approval of the Members and such other approvals, consents, permissions and sanctions as may be required, approved the proposal for migration of the listing and trading of the Equity Shares of the Company from the SME Platform of NSE to the Main Board of NSE and simultaneous direct listing of the Equity Shares on the Main Board of BSE.

The proposed migration is intended to provide the Company with a broader and more established platform in the capital markets, commensurate with its evolving scale of operations and future business objectives. It is expected to enhance the visibility and profile of the Company amongst investors, financial institutions, analysts and other market participants, facilitate wider investor participation and provide greater liquidity and market access for the Company's Equity Shares.

The proposed transition to the Main Board is also aligned with the Company's endeavour to continuously strengthen its corporate governance framework, internal controls, systems, processes and compliance practices. The Company recognises that a Main Board listing entails enhanced standards of transparency, disclosures, investor engagement and regulatory compliance. Accordingly, the Company has been progressively strengthening its governance and compliance framework and is geared towards adopting and maintaining the standards and practices applicable to Main Board listed entities.

The Company believes that the proposed migration will provide a wider platform for engagement with its shareholders, investors and other stakeholders and will further reinforce its commitment towards transparency, accountability, sound corporate governance and responsible corporate growth. The proposed migration is therefore

aligned with the Company's broader objective of strengthening its institutional framework while supporting its long-term business and capital market objectives.

The proposed migration and direct listing shall be undertaken in accordance with Regulation 277 and other applicable provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR Regulations"), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other applicable laws, rules, regulations, circulars, guidelines and requirements prescribed by the Securities and Exchange Board of India ("SEBI"), NSE, BSE and other competent authorities.

The proposed migration is subject to the Company satisfying the applicable eligibility criteria and other requirements prescribed under the applicable regulatory framework and by the respective Stock Exchanges, and obtaining such approvals as may be required.

The approval of the Members is accordingly being sought by way of a Special Resolution for migration of the listing and trading of the Equity Shares of the Company from the SME Platform of NSE to the Main Board of NSE and simultaneous direct listing of the Equity Shares on the Main Board of BSE.

In accordance with Regulation 277 of the SEBI ICDR Regulations, the aforesaid Special Resolution shall be acted upon only if the votes cast by shareholders other than promoters in favour of the proposal are at least two times the number of votes cast by shareholders other than promoters against the proposal.

The Board of Directors is of the opinion that the proposed migration and simultaneous direct listing would be in the best interests of the Company and its Members and would provide the Company with a broader platform to support its business plans, strengthen its presence in the capital markets and enhance engagement with its existing and prospective stakeholders. Accordingly, the Board recommends the Special Resolution set out at Item No.1 of the accompanying Notice for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their respective relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their respective shareholding, if any, in the Company.
