Dear Sir/Madam

With reference to your mail dated 17.03.2022, seeking clarification with respect to movement in price of the Company's scrip.

In this regard, we wish to inform that the share prices of paper companies have generally been moving up in the recent past due to increase in demand of papers resulting from the opening of educational institutions, Government offices and other corporates, due to removal of covid restrictions and resumption of normal working conditions. There is also a shortage of recycled fibres leading to a supply constraint.

It is submitted that there is no specific information and/or announcement (including pending announcement) which in our opinion may have a bearing on the Price of the Company's Scrip as traded across exchanges and which is required to be informed to stock exchanges in terms of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Hope the above would clarify the matter.

Thanking you,

Yours faithfully,
For Kuantum Papers Ltd
