Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, – Revenue Growth Surpassing Ahead of Estimated Schedule

Dear Sir/Madam,

Pursuant to Regulation 30 (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you about the Company's Revenue Growth Surpassing Ahead of Estimated Schedule.

We are pleased to share that the Company has started FY 2026-27 on a stronger note. Quarter to Quarter performance of the company reflects growing customer demand and the Company's continued focus on operational execution and delivering quality lighting solutions.

The addition of new customers during the quarter, reinforces the Company's competitive positioning in terms of product quality, pricing and solution capabilities. The Company's growing customer base and expanding business opportunities provide encouraging visibility for the coming quarters.

The Company is continuing on its Q1 growth momentum posting an approximate ₹22 crore in revenue, representing approximately 40% YoY growth.

With the current revenue traction and order visibility, the company expects to achieve a half-year topline of approximately ₹65 crore by Sept. 2026 which demonstrates an approximately 200% QoQ growth in the current year 2026-27.

The Company remains well positioned to deliver robust growth in FY 2026-27 and anticipates a topline growth of approximately 50-60% during the year. This growth is expected to be driven by the existing product portfolio, introduction of new products, and the Company's continued focus on targeted R&D initiatives aimed at enhancing its product portfolio and creating sustainable avenues for future growth.

VISDEM
TECHNOSYS LTD.

We are glad to inform you that in Q1, the Company acquired new customers, which include **Hettich and V-Guard Industries**. This is indicative of increasing trust of the customers on the quality of the Company's products, ODM services and innovative solutions in lighting, which gives an encouraging picture about the future.

With continued focus on innovation, product development, customer relationships and operational efficiency, the Company remains confident of building on its current growth momentum and creating long-term value for its stakeholders.
