LIMITED REVIEW REPORT

We have reviewed the accompanying statement of un-audited financial result of **Karma Energy Limited** for the quarter ended **September 30, 2013** *except* for the disclosure regarding 'Public Shareholding and Promoter and Promoter Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of un-audited financial results prepared in accordance with applicable accounting standards and recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contains any material misstatement.

Disposed of during the quarter					Nil		
Remaining unresolved at the end of the quarter					Nil		

NOTES :

- The above results have been taken on record at the meeting of the Board of Directors held on 13.11.2013
- Exceptional item in previous year ended 31.03.2013 represents reversal of 50% of sale value of wind power sale to state power Distribution Licencee (DL) from wind farm in Andhra Pradesh from January 2011 to March 2012 on the basis of an interim order passed by State Electricity Regulatory Commission on a petition for review of tariff filed by DL in 2006. Though the order has stipulated interim tariff from the end of ten years of wind farm commissioning, the DL has accepted the invoices of the Company till December, 2010 and remitted full sale value of wind power sold to them. Further adjustments, if any, would be carried out on the basis of final order of the Commission / Tribunal / Courts.
- As the Company has only one reportable segment, segment reporting as per Accounting Standard is not applicable.
- Previous Year's / Period's figures have been regrouped wherever necessary.
