Mumbai, February 08, 2012: Kavveri Telecom, a leading wireless subsystem manufacturer, which provides world class hardware products and solutions for the telecom, defence and space industry today reported its Consolidated profit & revenue numbers with a 14.30% rise in revenue and a 40.59% jump in the net profit for the quarter ended December 31, 2011 when compared to corresponding period of previous quarter.

While the company saw its stand alone net profit touching Rs. 15.25 Cr for the third quarter, which is a Rs. 3.19 Cr rise over the corresponding period of last year, its net sales increased by nearly 4.88% to Rs. 85.57 Cr for the same quarter.
The stand alone revenue for the nine months ended on December 31, 2011 also rose by 38.15% from Rs. 179.74 Cr to Rs. 248.31 Cr during the corresponding period of the previous year. Net Profit during the nine months period increased significantly by 28.88% from Rs. 26.37 Cr to Rs. 33.99 Cr during the corresponding period in the last fiscal.

Mr. Shivakumar Reddy, Managing Director, Kavveri Telecom Products Limited stated that, "We are extremely pleased with our performance. We have recently signed an agreement with the leading mobile operators (9th & 10th operator) for in-building wireless solutions. These agreements will provide a substantial long term revenue source for Kavveri Telecom. We are focused to achieve our goals and look forward for a promising growth in the current fiscal. We also thank our shareholders for their continuous support and expect to receive the same in future."
