Sub : Kavveri Telecom Products Ltd Achieved Major Milestone Towards Making Company Global Manufacturing Hub - Secures First Orders Estimated to be Worth Rs. 750 Millions From A European Company.

We are pleased to inform you that Kavveri Telecom Products Ltd has secured its first order for contract manufacturing from a European Company for its products. These orders are estimated to be worth about Rs. 750 Millions. Kavveri Telecom Products Ltd is premier manufacturer of RF Products & Antennas in India. The Company is currently having No. 1 market share in filters, light infrastructure antennas, RF components & in building solutions in India.

Mr. C. Shivakumar Reddy - Managing Director of Kavveri Telecom Products Ltd has said that it is a very important milestone for Kavveri as it has started establishing its foot print in European market. The main aim of Kavveri is to be global manufacturing hub for its products in India. The company's manufacturing infrastructure is situated at Bangalore with more than 150000 Sq Feet of area. The said facility is now fully geared up for this kind of orders. The Company now has established its presence in European market after already having its presence in North America, India & other Asian markets.
