IOB hosts vigilance awareness campaign, organises walkathon

Chennai, Oct 27:
As part of its ongoing Vigilance Awareness Campaign, Indian Overseas Bank (IOB) organized a Walkathon today at Besant Nagar Beach to promote integrity and transparency in public life.

This initiative aligns with the Central Vigilance Commission's (CVC) nationwide observance of Vigilance Awareness Week 2024, which will culminate in the themed week "Culture of Integrity for Nation's Prosperity" from October 28th to November 3rd.

The Walkathon was attended by IOB's senior leadership, including Dhanraj T, Executive Director, and Rajeev Kumar, Chief Vigilance Officer (CVO), along with General Managers, executives, and staff from both the Chennai Regional Office and Central Office. The event aimed to raise public awareness about vigilance and promote a corruption-free society.

Addressing participants, Dhanraj T, Executive Director, emphasized the bank's commitment to fostering an environment of integrity. He remarked, "Indian Overseas Bank

endeavors to promote integrity and eradicate corruption with the active support and participation of all citizens."

As part of the week-long Vigilance Awareness Campaign, IOB is conducting various activities, including an Integrity Pledge led by

the MD & CEO and the CVO on October 28th at 11:00 AM for all employees. Additionally, activities such as a Rangoli competition, quiz, essay contest, and seminar on vigilance by eminent personalities is being organized to engage and educate staff. In the lead-

up to Vigilance Awareness Week, IOB has already initiated several outreach and training programs. This includes training of employees, displaying banners and standees, airing vigilance-themed jingles on radio FM, and deploying a sky balloon to spread awareness.

'This Dhanteras, invest in timeless treasure'

The onset of Deepavali is marked by the festival of Dhanteras for Indians. Typically celebrated by purchasing gold and praying to Goddess Lakshmi for prosperity and wealth, Dhanteras, as the name suggests is a celebration of wealth, status, and good fortune. While times have evolved, Gold continues to hold absolute significance in our daily lives, blending cultural reverence with financial prudence. Gold's allure as an investment asset is deeply rooted in its historical role when it was considered as a safe haven during economic turmoil and a hedge against inflation. Furthermore, diversifying an investment portfolio with Gold tends to reduce overall risk due to its unique performance characteristic, and notably lower correlation with other assets.

Let's have a look at the different avenues through which investors can invest in Gold (extending beyond just physical gold) and assess some of the reasons as to why Gold continues to remain a timeless treasure.

Various Investment Avenues

Digital Gold: Ideal for young investors, digital gold requires minimal initial investment and can be easily accessed via online platforms. It allows for wealth accumulation with added liquidity.

Gold ETFs: Gold Exchange Traded Funds (ETFs) offer relatively

low-cost, higher-liquidity exposure to gold's price movements. These ETFs can be considered by families looking to secure their future while maintaining easy access to investments. The convenience and security of trading gold without physical possession have made gold ETFs a popular choice among investors.

Gold Mutual Funds: These funds invest in gold ETFs, providing exposure to the gold. These funds have seen steady growth in India, attracting investors looking for a balanced approach to gold investment. The diversification offered by gold can potentially help reduce portfolio volatility.

Sovereign Gold Bonds: From the point of view of investors, individuals, Sovereign Gold Bonds (SGBs) offer capital appreciation and interest income. Issued by the government, these bonds provide a secure way to hold gold while benefiting from a fixed interest rate. However, ongoing supply of such instruments may be questionable.

Gold Accumulation Plans: These plans allow purchase of gold in small, periodic instalments.

Gold's versatility as an investment extends far beyond its traditional image. By exploring various gold investment avenues, investors can craft strategies aligning with their life's financial milestones. From millennials starting their first job to retirees

preserving a lifetime of wealth, gold has remained a timeless and adaptable asset. The key to successful gold investment lies in understanding its multifaceted nature and utilizing appropriate instruments at each life stage. Regularly reassessing and rebalancing your gold investments will ensure they continue serving your evolving needs effectively.

Key Reasons to Consider Gold

Safe Haven: Gold has intrinsic value and is not subject to the same risks as paper money, such as inflation or devaluation. Its supply is limited, which helps maintain its value over time. It is universally recognized and accepted, making it a reliable store of value across different countries.

Economic Uncertainty: During periods of economic turmoil, such as recessions or geopolitical tensions, most of the asset classes tend to experience higher volatility.

Gold has historically either retained its value or even appreciated, providing a hedge against market volatility.

In 2020 (during the pandemic), the gold prices experienced a substantial gain. This rise in gold prices was driven by the concerns over global economic instability and the desire of investors to protect their wealth during the uncertain times.

Inflation Hedge: Gold is seen as a store of value that can protect

against inflation. It has intrinsic value due to its physical qualities and limited supply. Historically, gold prices have risen during periods of high inflation. This is because as the value of currency decreases, people turn to gold to preserve their wealth.

Liquidity: Gold is a highly liquid asset. An individual can easily buy and sell gold in various forms, such as jewellery, coins, or bars. Moreover, options like Gold ETFs or Gold Funds and Sovereign Gold Bonds offer easy entry / exits for the investors.

In an era of economic uncertainties and market volatilities, gold can stand as a beacon of stability and opportunity. By adopting a lifecycle approach to gold investments, investors can work towards achieving their financial milestones with greater confidence and security.

Kareema Dining Spot, a hotspot for Chennai's taste buds

M Rafi Ahmed

Food is the music to the body. Music is food to the heart. The quote of Australian author Gregory David Roberts best known for his novel Shantaram has been taken in the right spirit by noted music directors, singers, besides actors across the globe to venture into restaurant biz. Here in Tamil Nadu, the Mozart of Madras A R Rahman's elder sister A R Raihanah even while entertaining the music lovers has launched an eatery in memory of her mom styled as "Kareema Dining Spot" at Saligramam, the home to Prasad Film Labs and various cinema production houses and re-recording theatres.

This scribe while browsing through the pages of history got info about Grammy winning music icon Herb Alpert, a noted Trumpeter, who owns premier jazz restaurant--Vibrato Grill & Jazz ideally located between Bel-Air and Sherman Oaks in Texas in the US managed by his daughter Eden Alpert. Following their footsteps, melody queen Asha Bhosle whose voice gives calm to one's soul heals the people through her restaurant in UAE, Kuwait and UK.

A R Raihanah, music composer and brand ambassador for Raindrops Charity

"Mozart of Madras" A R Rahman's elder sister A R Raihanah, music composer and brand ambassador for Raindrops Charity Foundation ventured into food biz in memory of her mom aptly titled "Kareema Dining Spot" located at Abu Salai street, Saligramam in Chennai metro.

Foundation is now in any field for that matter. Interestingly, the interiors of the Kareema Dining Spot restaurant was done by Raihanah itself giving an aesthetic value enticing the customers into the spot. "Enga food vayira kedukkathu", she said in confidence. Customer satisfaction is the hallmark of Kareema Dining Spot and A R Raihanah makes it a point to serve dum biriyani without affecting their stomach. And she said, "There are plans to start more outlets across Chennai metro Inshallah". In fact, she is getting good clientele following word of

mouth for the chicken and mutton biriyani besides chicken 65 biriyani, Mutton kuska, Idly and Chettinad chicken curry. Located at MRR Towers, Abu Saali Street, Saligramam in Chennai, Kareema Dining Spot accepts bulk orders for all occasions. Just ring 63830 78076 and your order will be at your place. Yet another redeeming feature is that customers can place orders through Swiggy and Zomato food delivery chains. Hope A R Raihanah sings the success tune soon through her 'Kareema Dining Spot'.

IMA, Athulya Senior Care conduct public awareness programme on stroke

Chennai, Oct 27:

Athulya Senior Care collaborated with the Indian Medical Association (IMA) Chennai South and Community Services Development – Rotary District 3234, and hosted a highly successful Public Awareness Program on "Stroke" recently at the Alumni Club in Chennai. The event attracted a diverse audience, reflecting the community's strong need to understand and addressing the critical health issue of stroke.

The program featured an esteemed lineup of medical professionals, with Dr. K.M. Abul Hasan, IMA State President, serving as the Chief Guest. Also present were Rtn. N. S. Saravanan, District Governor of Rotary International District 3234, as the Guest of Honor. Special guest Dr. Kasi, North Zone Vice President was the special guest at the event. There was a distinguished panel of neurologists

who contributed their expertise throughout the event- Dr. N. D. Ramanujam, MD, FRCP (E), FACP (USA), FIMSA, FIAMS, Consultant Neurologist at VHS, Chennai; who moderated the event, Prof. Capt. Dr. B. Biswakumar, MD (GM), DM (Neuro), Former Hon' Prof of Neurology at the Institute of Neurology, GGH, Chennai; Prof. Dr. V. Natarajan, MD (GM), DM (Neuro), Prof. Emeritus at Dr. MGR Medical University, Chennai; and Prof. Dr. K. Mugundhan, MD (GM), DM (Neuro), Prof & Head of Dept of Neurology at Stanley Medical College, Chennai.

Dr. K.M. Abul Hasan, IMA State President said, "It is vital that we continue to advocate for stroke awareness and support initiatives that promote health and well-being."

Rtn. N.S. Saravanan, District Governor of Rotary International District 3234 said, "This

collaboration with Athulya Senior Care and the IMA is great for community health."

The program began with a warm welcome and the opening remarks emphasized the pressing need for community education on stroke prevention, management, and rehabilitation. Following this, a compelling keynote address was delivered, highlighting the significance of timely intervention and the crucial role of awareness in reducing the incidence and impact of strokes.

"We are thrilled with the turnout and the overwhelmingly positive feedback we received," said Mr. Srinivasan G., Founder & CEO of Athulya Senior Care. "Our goal was to empower the community with essential knowledge about stroke, and it's clear that we made a significant impact."
