Dear Sir,

Sub:- Intimation – Reg.

We wish to inform that the Company received some queries from CNBC TV18 News Channel and which were promptly replied by the Company.

One of the Query is investor sensitive.

The following is the Query by CNBC TV18:

Query :

"We understand from sources that Lanco group is in talks to refinance its debt of Rs 43,000 Cr. We understand that the debt restructuring will be done on a group level and the group is in talks with its lenders to finalize the details. In addition, we understand that the company may raise up to Rs 7500 Cr via a bond issue and the remaining amount will be taken in the form of a dollar loan from foreign banks to retire high cost rupee debt."

The following is the reply of Lanco:

Reply :

"The debt of Lanco group excluding working capital of power companies and Griffin acquisition debt is Rs.34249 cr as at March 31,2013. This debt is not in one company. This debt is the total of 21 companies of the group. **There is no CDR proposal.** There are 15 operating companies which constitute around 50% of the debt which is serviced by them from their operations. The balance 50% debt is to projects under construction where the interest is part of project funding and part of the approved project cost. There are no other proposals including bond issue."

The reporting by CNBC TV18 on the above query is not as per the reply given by the Company.

Since the above information is investor sensitive, the same is intimated to Stock Exchanges for information and record.

Thanking you,

Yours faithfully,

For LANCO INFRATECH LIMITED
