* The proforma revenue from operations above includes the revenue from sale of cars through Mercedes-Benz cars under agency model. Under the agency agreement, customers now place orders through company directly to MBIL on which LCL and LCEPL earns commission on each sale of Mercedes-Benz cars.

2. GST reforms have had a positive influence on the auto industry.

3. The Company reported highest ever quarterly proforma revenue from operations. This robust YoY growth was slightly impacted due to temporary supply chain constraints in BYD cars, which normalized in January 2026. The demand for BYD cars continues to be strong.
