L&T Construction Wins Orders Valued ₹3057 Crs

Mumbai, July 01, 2013: L&T Construction has won new orders worth **₹ 3057 crores** across various business segments in June 2013.

The **Building & Factories Business** has secured orders worth **₹1808 crores** for the construction of an office space, residential building and a hospital from customers across the country.

The **Water & Renewable Energy Business** has bagged orders worth **₹ 628 crores.** A major order is from the Water Resource Department, Jharkhand for construction of the Kharkai barrage with gates and allied works including civil, mechanical, and electrical systems. Another turnkey order is from West Bengal Power Development Corporation Limited for supply of equipment, material, erection and services for plant water systems of the Sagardighi Thermal Power extension project units 3 & 4 (2x500MW). The Company also received orders for various utility development works at Gurgaon from a private developer, including an additional order on operating projects.

In the **Power Transmission & Distribution Business**, orders worth **₹ 442 crores** have been received from the Delhi Metro Rail Corporation Limited for design verification, detailed engineering, manufacture, supply, installation, testing and commissioning of electrical and mechanical system including fire and hydraulic system for underground stations of Delhi Mass Rapid Transport System project phase-3. Additional orders have also been received in domestic and international markets of ongoing projects.

New orders worth **₹ 179 crores** have been secured in **Heavy Civil Infrastructure** and **Metallurgical & Material Handling Businesses** from various ongoing projects.

Background:

Larsen & Toubro is a **USD 14 billion** technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is ranked 4th in the global list of Green Companies in the industrial sector by reputed international magazine *Newsweek*, and ranked the world's 9th Most Innovative Company by *Forbes International*. L&T is one of the largest and most respected companies in India's private sector. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.

** L&T Construction is a brand of Larsen & Toubro.*
