Limited Review Report on unaudited standalone financial results of Laser Power & Infra Limited for the quarter ended September 30, 2026 and year to date results for the period from April 01, 2026 to September 30, 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,
The Board of Directors
Laser Power & Infra Limited
(Formerly known as* Laser Power & Infra Private Limited*)

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **LASER POWER & INFRA LIMITED** (hereinafter referred to as "the Company") for the quarter ended September 30, 2026 and year to date results for the period from April 01, 2026 to September 30, 2026 ("the Statement").

2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. The figures for the half year ended 30th September 2025, have been extracted from the company's special purpose audited standalone interim financial statements for the period ended 30th September 2025. The figures for the quarter ended 30th September 2025 are the

balancing figures between the special purpose interim financial statements prepared for IPO purpose for six months period ended 30th September 2025, and the figures of the quarter ended 30th June 2025, which have neither been audited nor subjected to limited review by the statutory auditors.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on unaudited consolidated financial results of Laser Power & Infra Limited for the quarter ended September 30, 2026 and year to date results for the period from April 01, 2026 to September 30, 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,
The Board of Directors
Laser Power & Infra Limited
(Formerly known as* Laser Power & Infra Private Limited*)

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **LASER POWER & INFRA LIMITED** (hereinafter referred to as "the Parents"), and its Subsidiary (the Parent & its Subsidiary together referred to as "the Group") for the quarter ended September 30, 2026 and year to date results for the period from April 01, 2026 to September 30, 2026 ("the Statement").

2. This Statement, which is the responsibility of the Parent's management and approved by its Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
   We also performed procedures in accordance with the circular issued by the Securities and Exchange Borad of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:

Sl. No.	Company Name	Relationship
1.	Laser Power & Infra Limited	Company
2.	Akshat Builders Private Limited	Subsidiary

5. The figures for the half year ended 30th September 2025, have been extracted from the company's special purpose audited consolidated interim financial statements for the period ended 30th September 2025. The figures for the quarter ended 30th September 2025 are the balancing figures between the special purpose interim financial statements prepared for IPO purpose for six months period ended 30th September 2025, and the figures of the quarter ended 30th June 2025, which have neither been audited nor subjected to limited review by the statutory auditors.

6. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Others Matters:

7. We did not review the interim financial results of the subsidiary included in the Statement, whose interim financial results reflect total revenues (before consolidation adjustments) as Nil, total Net Loss after tax (before consolidation adjustments) of Rs 78.71 Lakhs and total comprehensive Loss (before consolidation adjustments) of Rs 78.71 Lakhs and net cash inflow/(outflows) of Rs 563.90 Lakhs for the half year ended 30th September, 2026, as considered in the Statement. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above.

   Our conclusion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors, as aforesaid.
