Q2 & H1 FY27 Press Release

Q2 FY27 Revenue from Operations at Rs. 6,282 Mn, up 2.1% YoY
EBITDA margins at 12.1%; PAT margin at 4.9%

Kolkata, November 12, 2026: Laser Power & Infra Limited (LPIL) (BSE: 544822, NSE: LASERPOWER), a leading manufacturer of cables, conductors, and power infrastructure solutions, has announced its financial results for the quarter and half year ended September 30, 2026.

Standalone Financial Results – Q2 & H1 FY27:

Particulars (₹ Mn)	Q2 FY27	Q1 FY27	QoQ (%)	Q2 FY26	YoY (%)	H1 FY27	H1 FY26	YoY (%)
Revenue From Operations	6,282	5,215	*20.5%*	6,150	*2.1%*	11,498	10,691	*7.5%*
EBITDA	759	659	*15.2%*	802	*-5.4%*	1,417	1,326	*6.9%*
EBITDA Margins	*12.1%*	*12.6%*		*13.0%*		*12.3%*	*12.4%*	
PAT	306	211	*44.8%*	319	*-4.0%*	517	483	*7.2%*
PAT Margins	*4.9%*	*4.1%*		*5.2%*		*4.5%*	*4.5%*	

Commenting on results, Mr. Deepak Goel, Chairman and Managing Director, Laser Power & Infra, said: *"Q2 FY27 marks an important milestone in Laser Power's evolution as we strengthen our presence in specialised high-voltage transmission. Our first commercial HTLS conductor order from POWERGRID and first 220 kV underground transmission project from CESC validate our capabilities across advanced products and specialised EPC execution.*

During the quarter, we reported revenue of ₹6,282 mn, EBITDA of ₹759 mn and PAT of ₹306 mn, while our order book stood at ₹25,426 mn, providing healthy execution visibility.

We are progressing our proposed integrated manufacturing facility at Kharagpur to expand capacity and broaden our portfolio of higher-value transmission products. Our focus remains on successful execution, scaling transmission opportunities and maintaining disciplined capital allocation to create sustainable long-term value.

The broader opportunity remains compelling, supported by rising power demand, renewable-energy integration and investments in transmission and grid modernisation. As utilities seek to enhance existing corridors and strengthen urban networks, we see meaningful opportunities for advanced conductors and specialised EHV solutions. Our integrated manufacturing and EPC capabilities position Laser Power well to capture these opportunities."
