**Sub: Laurus Labs recognized for Sustainability Leadership by S&P Global**

Dear Sir / Madam,

This is to inform that Laurus Labs Limited's commitment to sustainability has been recognized and our Company has been featured in the **S&P Global Sustainability Yearbook 2026**, a ranking of the world's most sustainable companies, which highlights companies demonstrating strong performance across environmental, social, and governance (ESG) parameters relative to global industry peers.

The Company has achieved S&P Global Corporate Sustainability Assessment (CSA) score of 81 out of 100 in the category of pharmaceutical companies (Previous Year 71 out of 100).

The Sustainability Yearbook distinguishes companies within their industries that have demonstrated strengths in corporate sustainability and is based on the S&P Global Corporate Sustainability Assessment (CSA), one of the most comprehensive global ESG benchmarking frameworks. Our Company's inclusion highlights a significant distinction, as out of over 9,200 companies assessed globally across 59 industries, only 848 earned a place in the Yearbook.

Yours faithfully,  
For **Laurus Labs Limited**
