LG Electronics India Limited earns Great Place to Work® certification third year-in-a-row

Recognition reflects LG Electronics India's continued focus on building a workplace culture rooted in employee trust, engagement, and well-being

New Delhi, October 22, 2026: LG Electronics India Ltd. (LGE India), one of India's leading consumer durables companies, has earned the *Great Place To Work® Certification™* third year in a row. Great Place To Work®, a global authority on workplace culture and employee experience, awarded LGE India this certification basis employee feedback through the Trust Index™ survey, alongside an assessment of workplace culture. By drawing on employees' perspectives, the assessment provides insight into how trust, engagement and the everyday workplace experience shape an organisation's culture.

First achieving the certification in 2023, LGE India has continued to build on this recognition through its focus on employee experience, workplace culture, and an environment that supports professional growth. This recognition will continue to help in securing the best talent in the job market and will also enhance shareholder confidence.

Commenting on the recognition, Mr. Hong Ju Jeon, Managing Director, LG Electronics India Ltd., said, *"Earning the Great Place To Work® Certification for the third year in a row is both, an important milestone and a key validation for LG Electronics India's progressive HR practices. Our people are central to building a resilient organisation and delivering on our long-term ambitions. We believe that a culture rooted in trust, respect and collaboration creates the conditions for our employees to contribute their best and realise their potential. This recognition reflects our continued focus on listening to our employees and fostering a workplace where individual growth and organisational progress go hand in hand."*

Anurag Gupta, Executive Vice President, Great Place To Work India said, *"Earning the Great Place To Work Certification™ for the third year in a row is a powerful testament to LG Electronics India's steadfast commitment to fostering a people-first workplace. Over the years, LGE India's culture has stood out for embracing great talent and, more importantly, nurturing an environment where individuals feel truly valued, accepted, and empowered to bring their authentic selves to work every day. Building a workplace where cultural harmony and personal authenticity thrive side by side is a rare achievement, reflecting deep-rooted trust and empathetic leadership. On behalf of Great Place To Work, hearty congratulations to the leadership and entire team on sustaining this exemplary workplace culture."*

LGE India's Great Place To Work® journey began in 2023 under the leadership of Mr. Hong Ju Jeon, MD, and Mr. Jwa Nam Kim, Chief Human Resources Officer (CHO), LGE India. The company continues to focus on employee feedback, people-centric initiatives, and family engagement as part of its efforts to strengthen workplace culture and foster a sense of belonging. These efforts reflect the organisation's focus on building an environment where employees feel connected to the organisation and supported in their professional development.

As LG Electronics India continues to strengthen its presence and pursue its growth ambitions in the country, investing in its people and workplace culture remains an important part of building the organisation for the long term. Recently, LGE India also won the "National Best Employer Brand" at World HRD Congress and was also recognized as "Top Organisation with Innovative HR Practices" at Asia Pacific HRM Congress Award. Additionally, Mr. Jwa Nam Kim (CHO) was also conferred with the "Most Impactful HR Leader Award"

& “Top HR Iconic Leader” for his leadership in driving HR transformation and positioning people as a strategic enabler of business growth.
