Ahmedabad, October 8, 2021: Lincoln Pharmaceuticals Limited, one of India's leading healthcare companies has received approval from Australia's medicines and medical devices regulator - Therapeutic Goods Administration (TGA). Company's manufacturing facility in Khatraj, Gujarat received the GMP clearance from TGA for all three departments Tablet, Capsule and Cream & Ointment, which will cover wide range of Pharmaceutical Formulation manufactured by the Company. Company looks to enter the Australian markets soon with its dermatology, gastro and pain management products and gradually expand product portfolio. The certification will be valid till June 2023.

TGA and EU GMP approval will strengthen company's presence in the regulated markets. In May 2020, company had received European Union (EU) GMP certification from Germany FDA for its manufacturing facility which allows the company to market its products in all the 27 member countries of EU and also give access to European Economic Area (EEA) countries

The company manufactures wide-range of drugs at its Khatraj facility and includes anti-infective, respiratory system, gynaecology, dermatology, gastro, pain management, cardio & CNS, anti-bacterial, anti-diabetic, anti-malaria among others.

Mr. Mahendra Patel, Managing Director, Lincoln Pharmaceuticals Limited, said, "TGA and EU GMP approval are important stepping stone in the journey of the company and will help to expand its presence in more regulated markets. TGA and EU GMP approvals are result of stringent quality and compliance norms followed at Lincoln Pharma across all departments especially the R&D and compliance. Over the years, company has seen good traction in the export business, which is expected to get further boost once TGA & EU operations begins. The certification will allow us to address the growing needs of patients in the regulated markets and provide affordable and innovative medicines."
