Lanco Hills Technology Park signs up with Sutherland Global 80,000 sq ft of SEZ space for conducting IT/ITES operations

New Delhi, July 02, 2013; Lanco Infratech Limited, one of the India's largest integrated infrastructure conglomerate having businesses in EPC, Power, Natural Resources, Solar and Infrastructure today announced that its subsidiary Lanco Hills Technology Park Pvt. Ltd. which is a mixed development project has signed up with a globally reputed firm which specializes in BPO and technology management services – Apollo Health Street, a Group Company of M/s. Sutherland Global Services for 80,000 sq. ft. of SEZ space for conducting IT/ITES operations which will go live from October 2013 and is expected to increase its operations further.

With the IT and ITES industry surging ahead in businesses, the country is witnessing growth in terms of revenue and employment opportunities. There is a sizeable increase in IT business houses setting up operations and expanding in areas that suit their clientele in terms of infrastructure and manpower. Hyderabad, the southern hub for IT is also seeing notable growth. More and more companies are keen at setting up operational base in Hyderabad.

Commenting on signing contract with Sutherland Global Services, **Mr. D. V. Prasad, Vice President of Lanco Hills Technology Park Pvt Ltd.,** said,

"We have provided excellent infrastructure which is going to yield rich dividends to companies setting up their operations here in Lanco Hills Technology Park. It is in the IT hub of Hyderabad, Gachibowli, and will soon emerge as a destination of choice for most of the companies. Lanco Hills Technology Park is offering great infrastructural support and the location convenience to its clients. While Lanco is known for development of world class infrastructure, Sutherland Global Services is a global provider of BPO management services. This tie-up is not only boosting the growth of the region but will also create new employment opportunities".
