L&T Construction Wins Orders Valued over ₹2410 Crore

Mumbai, June 07, 2012: L&T Construction - part of the Larsen & Toubro conglomerate has bagged new orders valued **₹2410 crore** across various businesses during the first quarter of 2012-2013.

The **Buildings & Factories IC** has secured new orders worth **₹1821 crore** from leading developers for the construction of major residential towers across various cities in the northern part of the country.

The **Infrastructure IC** has won orders aggregating **₹345 crore** for the design & construction of viaducts and three elevated stations from Delhi Metro Rail Corporation (DMRC) which also includes additional orders from various ongoing projects.

In yet another development, the **Water Effluent and Treatment business** has bagged new orders worth **₹244 crore** from Bangalore Water Supply & Sewerage Board for upgrading the existing water distribution systems including additional orders from various ongoing projects.

Background:

Larsen & Toubro is a **USD 12.8 billion** technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer - focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

**L&T Construction is a business brand of Larsen & Toubro Limited*
